Dear Steve,

The USTA is excited about the opportunity for a major ITF Beach Tennis event to take place in Miami Beach in 2023. Through our communication with you and the International Tennis Federation, we understand that the preferred date falls between March 1-4, 2023.

We will hold those dates for the event at Miami Beach and plan to support the application for sanction when a final decision is made by the city.

I look forward to continuing our dialogue and working with you and your team to host a successful event in Miami Beach 2023.

Sincerely,

Jeff Waters
