Re: Second Modification to Conditional Use Permit Approval - File 2245 -- "600 Alton" Development (500 Alton Road and 1220 Sixth Street, Miami Beach) - Letter of Intent.

Dear Tom:

This firm represents 500 Alton Road Ventures, LLC and 1220 Sixth, LLC (collectively the "Applicant"), the applicants and owners of the property located at 500 Alton Road and 1220 Sixth Street (the "Property"). As you know, this Property is a portion of the "600 Alton" development that will take up most of the 500, 600, and 700 blocks between Alton Road and West Avenue. Please consider this letter the Applicant's letter of intent for the second modification to the approved parking lot for the site. The Applicant proposes to further reduce the scope of the parking lot development and usage to better serve the 600 Alton project and our neighbors.

The project will be developed with a mix of commercial and residential uses and the 500 and 600/700 Blocks can stand on their own for zoning purposes. Back in 2014, the DRB approved an application seeking a modification of the approval in order to divide the development into two phases in recognition of the complexity of the development. The first phase will be located north of Sixth Street. Last year, the City approved modifications to that phase of the development to, among other things, expand its scope to the 700 Block and hopes to begin construction soon.

Tom Mooney, Director

Page 2

Description of the Property. The Property consists of all of the 500 Block west side of Alton Road. The Property is largely undeveloped, except for the former "7-11" retail store at the far northwest corner.

Original Parking Lot. During the construction of Phase One of the 600 Alton project, the Applicant developed the 500 Block with a parking lot and is now in the midst of obtaining a Temporary Certificate of Occupancy. That lot was designed to: (1) serve the needs of the existing "7-11" retail building located on the Property during the period the City will be closing Sixth Street in the near future; (2) provide the temporary location of 76 parking spaces for the 650 West Avenue building (the "Floridian") during the construction of structured parking to serve that building's needs; (3) provide parking for the construction needs of Phase One; and (4) be available for general valet parking during hours it is not needed for construction parking. The 7-11 portion of the lot was designed as if it were a permanent improvement to remain in place to serve the building as long as it was necessary.

First Modification. Since the construction of the lot, two relevant things occurred. First, the 600 Alton construction process continued apace and the Applicant revised its plans for construction staging and parking. Second, the 7-11 store was closed, which will lead the way to the approved lot being used for construction staging and parking for the Floridian in a more rapid manner than previously had been contemplated.

The Applicant therefore provided a revised plan for the parking lot that was approved by the Planning Board. The revised plan set aside a significant portion of the land for construction parking and staging. The remainder of the lot will be set aside for the Floridian parking. That resulted in a lot of only 76 spaces, served by valet, for the use of the Floridian building. Landscaping was proposed to be located along the former 7-11 building and the valet lot, with the remainder of the lot serving for construction staging and therefore not landscaped.

Second Modification. Since the first modified plan was approved, additional issues have been discovered. First, the Applicant determined that additional portion of the Property will be necessary for construction staging to be enclosed by the construction fence. That will require the removal of the landscaped area along West Avenue. Second, the Applicant discovered that the planting area in front of the former 7-11 store had issues with available depth along Sixth Street that made it impossible to locate the previously contemplated plantings in that area. The Applicant is

Tom Mooney, Director

therefore proposing a modified landscape design for this portion of the Property – including twenty-five (25) trees as well as native underplantings. The northeast, southeast and southwest corners of the lot will be similarly planted with hardy groundcover and shrubs,

Valet Operation Details. As noted above, valet will serve only the Floridian. The Floridian valet will take cars from in front of the Floridian building south on West Avenue and into the lot and returning along the same route. Access to the Floridian spaces is proposed from both West Avenue and Sixth Street.

Changes to Conditions. In order to realize the revised development plan, the Applicant has identified the following conditions of the existing Conditional Use Permit that will need to be modified and or deleted:

Condition 6, related to the landscape plan, should be modified to reflect the revised landscape design.

Compliance with Relevant Code Standards. We believe the application, as submitted, is consistent with all of the relevant criteria of the City's Land Development Regulations. This letter will address each relevant criterion in turn.

Standard Conditional Use Criteria. Every conditional use application requires the Planning Board to determine an application's consistency with seven (7) criteria. Those criteria, codified in Section 118-192(a), are below, along with a description of the application's consistency with each:

1. The use is consistent with the comprehensive plan or neighborhood plan if one exists for the area in which the property is located.

*The proposed parking lot is consistent with the policies of the City's comprehensive plan.*

2. The intended use or construction will not result in an impact that will exceed the thresholds for the levels of service as set forth in the comprehensive plan.

*The proposed lot will not create new impacts but instead will accommodate the existing and anticipated impacts of the parking needs for the Floridian building,*

*construction workers, and the many businesses within the City that rely on valet parking.*

3. Structures and uses associated with the request are consistent with these land development regulations.

*The lot, although temporary in nature, has been designed to meet all of the relevant standards for surface parking.*

4. The public health, safety, morals, and general welfare will not be adversely affected.

*The proposed lot will have no impact on the public's health, safety or welfare. The pattern of area development is consistent with a mix of residential and commercial uses. This area will not be impacted by the minimum noise associated with a parking lot, given the existing impact of the MacArthur Causeway flyover and traffic on Alton Road, West Avenue and Fifth Street.*

5. Adequate off-street parking facilities will be provided.

*The parking lot has been designed to accommodate both code-required parking (Floridian temporary parking) and operational parking for the construction of Phase One of the 600 Alton project. The lot will provide the necessary Floridian parking while allowing for off-street staging and parking for the construction work on the 600 Alton project.*

6. Necessary safeguards will be provided for the protection of surrounding property, persons, and neighborhood values.

*The proposed use will create no issues for neighboring property owners or persons as it will reduce the potential demand on nearby streets from parking for area businesses.*

7. The concentration of similar types of uses will not create a negative impact on the surrounding neighborhood. Geographic concentration of similar types of conditional uses should be discouraged.

CITY OF MIAMI BEACH, FLORIDA**

**PROPERTY:** 500 Alton Road & 1220 Sixth Street  
**FILE NO.** 2245  
**IN RE:** The application for Conditional Use approval to operate a surface parking lot 24 hours a day, pursuant to Section 130, Article III.  
**LEGAL DESCRIPTION:** See Exhibit "A" attached  
**MEETING DATE:** May 26, 2015

**CONDITIONAL USE PERMIT**

The applicants, 500 Alton Road Ventures, LLC and 1220 Sixth, LLC, requested Conditional Use approval to operate a surface parking lot 24 hours a day, pursuant to Section 130, Article III. Notice of the request was given as required by law and mailed out to owners of property within a distance of 375 feet of the exterior limits of the property upon which the application was made.

The Planning Board of the City of Miami Beach makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

That the property in question is located in the CPS-2, Commercial Performance Standard zoning district; and

That the use is consistent with the Comprehensive Plan for the area in which the property is located; and

That the intended use or construction will not result in an impact that will exceed the thresholds for the levels of service as set forth in the Comprehensive Plan; and

That structures and uses associated with the request are consistent with the Land Development Regulations; and

That the public health, safety, morals, and general welfare will not be adversely affected; and

That necessary safeguards will be provided for the protection of surrounding property, persons, and neighborhood values.

**IT IS THEREFORE ORDERED**, based upon the foregoing findings of fact, the evidence, information, testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which is adopted herein, including the staff recommendations, as approved by the Planning Board, and accepted by the applicant, that

a Conditional Use Permit as requested and set forth above be GRANTED, subject to the following conditions:

1. The Planning Board shall maintain jurisdiction on this Conditional Use Permit. The applicant shall present a Progress Report to the Board within 90 days of the issuance of the Certificate of Occupancy (CO) or Business Tax Receipt (BTR) for the parking lot, whichever comes first. At the time of the first Progress Report, the applicant shall provide an update valet operational plan. If deemed necessary, at the request of the Planning Director or a Board member, the applicant shall present a progress report to the Board at a future date. The Board reserves the right to modify the Conditional Use approval at the time of the progress report in a non-substantive manner, to impose additional conditions to address possible problems, and to determine the timing and need for future progress reports. This Conditional Use Permit is also subject to modification or revocation under City Code Sec. 118-194 (c).
2. This Conditional Use Permit is issued to 500 Alton Road Ventures, LLC and 1220 Sixth, LLC, as the owners of the property and M&G Soft, LLC, as the operator. Subsequent owners and/or operators shall be required to appear before the Board within 90 days of the change of ownership or operator to affirm their understanding of the conditions listed herein and to obtain a Modification to this Conditional Use Permit.
3. If the Florida Department of Transportation (FDOT) does not approve the curb cuts on Alton Road, then the applicant shall appear before the board for a modification to the approved site plan.
4. The Applicant shall be required, prior to the issuance of any building permits, to provide a lease and operating agreement, and authorization by the Floridian Condominium Association, located at 650 West Avenue, as to agreement to move the permanent parking location for the Floridian, from its existing location pursuant to the Planning Board CUP Order 1940, to the proposed temporary location, and to the proposed new, permanent location.
5. Owner hereby grants to the City a non-exclusive easement in, upon, over, under and through that portion of the Property along 6th street, for the sole and limited purpose of operating, using, maintaining, repairing and replacing the improvements more particularly described as the Pump Station Improvements – including: pumps needed for stormwater management for the area, and the Owner to provide the City with the Generator for the pump station, and access to and electrical services for the pump station for installation, operation, use, maintenance, repair and replacement of the Generator.
6. A revised landscape plan, prepared by a Professional Landscape Architect, registered in the State of Florida, and corresponding site plan, shall be submitted to and approved by staff. The species type, quantity, dimensions, spacing, location and overall height of all plant material shall be clearly delineated and subject to the review and approval of staff. At a minimum, such plan shall incorporate the following:
  - a. At a minimum, the plan shall indicate a five-foot wide, landscaped area bordering the surface area along a property line.
  - b. The areas fronting a street shall be landscaped with a one canopy tree every 20 feet of frontage.

- c. All landscaped areas shall utilize understory planted material.
  - d. A hedge that is at least 36 inches in height at the time of planting shall be installed on the entire perimeter of the lot; hedges on street or alley frontages shall not exceed 42 inches in height at maturity. The hedge material planted on any side of the lot that abuts the lot line of another property shall be at least 48 inches (four feet) in height at time of planting and shall not exceed 60 inches (five feet) at maturity.
  - e. A 6" curb shall be provided to protect all landscape areas. Also, if utilizing wheel stops, they shall be placed at least 2½ feet from the edge of the paved area for every parking space.
  - f. The minimum parking dimension is 18' x 8.5'. In addition to the minimum required setbacks, parking spaces facing a landscape area shall be designed to be 16' in length with a 2' overhand over a landscape area with a continued raised curb. Wheel stops are not required for this condition.
  - g. The applicant shall submit a plan for a recurring maintenance schedule that includes, but is not limited to, cleaning the lot, clipping of hedge material, removing and replacement of dead plant material, fertilization and irrigation.
  - h. Parking lines shall be painted white.
  - i. Proposed access to the lot shall be approved by the Transportation Department prior to the Planning Department's approval.
  - j. The utilization of root barriers and/or Silva Cells, as applicable, shall be clearly delineated on the final revised landscape plan.
  - k. A fully automatic irrigation system with 100% coverage and an automatic rain sensor in order to render the system inoperative in the event of rain. Right-of-way areas shall also be incorporated as part of the irrigation system.
7. Light baffling covers shall be installed to minimize light spillage onto the neighboring properties and still meet any State and County regulations for minimum lighting required for life safety, subject to the review and approval of staff.
8. Vehicles shall be parked in marked spaces only without tandem parking.
9. The valet operator shall instruct its employees not to use the car alarm system as a way of identifying the vehicle for pick up.
10. The conditions of approval for this Conditional Use Permit are binding on the applicant, the property owners, operators, and all successors in interest and assigns.
11. The applicant shall be responsible for operating this facility in an orderly, clean and quiet manner so that neighboring residents are not disturbed during the hours of operation. This shall include removing all trash from the lot not less than twice daily. The sounding of car alarms, automobile horns, playing of radios or any kind of audio system (including by the

valet attendants) and screeching of tires shall be prohibited. Two signs, one addressing City Code provisions regarding car alarms, and one prohibiting the screeching of tires and sounding of horns, shall be posted on the site so they are plainly visible by, and legible to, users of the facility (see attached examples).

12. The applicant shall install a sign indicating the name and phone number of the operator to report complaints, as well as the phone number for Code Compliance. The maximum size of such sign shall not exceed five square feet per 50 feet of street frontage, as permitted by the City Code.
13. The applicant shall resolve outstanding violations and fines, if any, prior to the issuance of a Business Tax Receipt/Certificate of Use for this parking facility.
14. Compliance with the aforesaid conditions shall be a prerequisite to obtaining a Certificate of Occupancy/Business Tax Receipt.
15. A Conditional Use Permit which lists the aforementioned conditions shall be recorded in the Public Records of Miami-Dade County at the expense of the applicant, prior to the issuance of a Business Tax Receipt /Certificate of Use, or Certificate of Occupancy, whichever may occur first.
16. This order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
17. The establishment and operation of this Conditional Use shall comply with all the aforementioned conditions of approval; non-compliance shall constitute a violation of the Code of the City of Miami Beach, Florida, and shall be subject to enforcement procedures set forth in Section 114-8 of said Code and such enforcement procedures as are otherwise available. Any failure by the applicant to comply with the conditions of this Order shall also constitute a basis for consideration by the Planning Board for a revocation of this Conditional Use permit.
18. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.
19. Within a reasonable period of time after receipt of the executed Conditional Use Permit, the applicant, at its sole expense, shall record it in the Public Records of Miami-Dade County, and return the recorded instrument to the Planning Department. No building permit, certificate of occupancy, or certificate of completion shall be issued until this requirement has been satisfied.
