

Letter of Intent

2/1/19

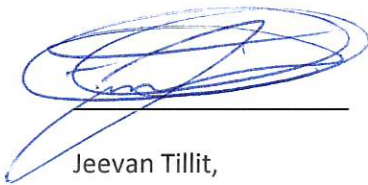

City of Miami Beach
Historical Preservation Board
1700 Convention Center Dr
Miami Beach, FL 33139

Re: 1052 Ocean Dr, Miami Beach #HPB19-0279

To whom it may concern,

Please allow this letter to serve as our formal notice of intent to apply to the Historical Preservation Board to amend Board Order HPB0716-0048. We would like to change the fabric cover on our existing awning and select a new color. The existing awning is to remain with no modifications being proposed to the awning itself. This application is only to change the color of the fabric. We would like the new board order to allow us the flexibility to change to any pre-approved color the city offers in the future without having to come back to the HPB for additional modifications, assuming it is only a color change and the new color is part of the city preapproved colors. In this case we will be changing to a Gray Color.

If you have any questions at all please feel free to contact me directly on my cell, 786-439-5812.
