Proposed Placement:

Corner of 12 Street and Ocean Drive, within Lummus Park

Proposed Design:

Precast Concrete Pedestal

12"x12" Cast Bronze Brushed Finish Black Stipple
Texture Single Line Border

The LGBTQ Crosswalk

Dedicated on November 9, 2018, was designed using the pastel color palette that Leonard Horowitz (b. 1946 - d. 1989), the gay co-founder of the Miami Design Preservation League, created for the Art Deco District.

The rainbow flag design celebrates Miami Beach as a diverse and inclusive city and salutes the many LGBTQ people who worked for decades to preserve this unique historic community.
