Dear Honorable Mayor and City Commission:

The Transportation, Parking and Bicycle-Pedestrian Facilities Committee (TPBPFC) met on Monday June 3rd, 2019, and discussed the Indian Creek Project. During this discussion, the Committee addressed the grave issue with traffic and unanimously passed the following motions:

Motion 1:

- Move barriers to accommodate for two (2) lanes of traffic
- Maintain speed limit signs at 20 mph
- Remove and relocate if possible, parking spaces between 28th and 30th Street, where necessary

Motion 2:

Furthermore, the TPPBFC asks that FDOT be compelled to attend Committee meeting(s) to discuss this project.

As an advisory Committee, we would greatly appreciate your consideration on these motions.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
