

PROJECT FACT SHEET
FLORIDA DEPARTMENT OF TRANSPORTATION DISTRICT SIX
State Road (SR) 907/Alton Road
From 6 Street to 20 Street
Project Identification Number: 440178-1-52-01

The Florida Department of Transportation (FDOT) is developing the design for a pedestrian safety lighting improvements project along SR 907/Alton Road from 6 Street to 20 Street, in Miami-Dade County.

PROJECT DETAILS

- Upgrading existing light poles with a new Light Emitting Diode (LED) fixture at select signalized intersections with pedestrian crossings to increase brightness and meet the new FDOT lighting requirement
- Removing and/or replacing existing light poles at select locations
- Adding new light poles with LED fixtures at signalized intersections along select corridors

PROJECT DATES

Work is expected to begin in February 2020 and last about five months. Please note that the construction schedule is subject to change.

ESTIMATED PROJECT COST

\$565,000

MUNICIPALITIES IN PROJECT AREA

City of Miami Beach

POSSIBLE EFFECTS DURING CONSTRUCTION

Work will be completed in phases to reduce the effects of construction on the community.

MAINTENANCE OF TRAFFIC

Temporary lane closures and sidewalk closures, and pedestrian detours during non-peak hours will have minimal effects on traffic.
