**Re:** Motion to Request Completion Date for North Beach Oceanside Park Renovation

Honorable Mayor and Commission,

North Beach's residential HOA's which represents over 1100 single family homes, collectively represented by NoBe HOA Partners, **request a motion for a firm commitment** on the completion date of North Beach Oceanside Park Renovation.

The community is looking forward to the completion of the proposed project improvements which will assist in revitalizing the current park by reducing crime and improving safety, expanded path networks, revitalized landscaping, providing more access points to enter the park, and connecting the beach walk pathways. These improvements will provide a place in which the surrounding neighborhoods and visitors will enjoy.

Respectfully,

NoBe HOA Partners
