

RESOLUTION NO.**2014-28734**

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, APPROVING, PURSUANT TO SECTION 2-367 (d) OF THE MIAMI BEACH CITY CODE, THE SOLE SOURCE PURCHASE OF SD-42 IRONSITE SERIES LITTER RECEPTACLES, FROM VICTOR STANLEY INC., THE SOLE SOURCE DISTRIBUTOR IN THE STATE OF FLORIDA FOR VICTOR STANLEY LITTER RECEPTACLES.

WHEREAS, pursuant to Section 2-367(d) of the Miami Beach Code, the City Commission may enter into contracts for goods and/or services when only one source for the products or service is evident; and

WHEREAS, the purchase of litter receptacles, consisting of SD-42 Ironsite Series, and all department-issued accessories (liners, latches, etc.), is available from Victor Stanley Inc., the sole authorized State of Florida distributor; and

WHEREAS, the Procurement Director has determined that Victor Stanley Inc., is the sole source and only authorized distributor for the State of Florida of Victor Stanley brand products; and

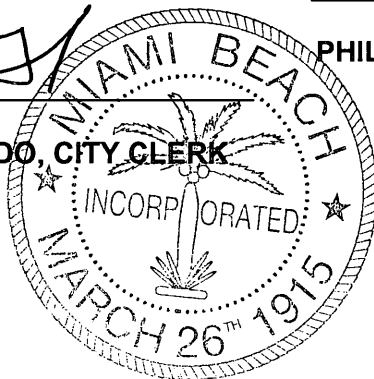

WHEREAS, additionally, the Administration has complied with the requirements for sole source purchases, pursuant to Section 2-367(d) of the Miami Beach City Code.

NOW, THEREFORE, BE IT DULY RESOLVED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, that the Mayor and City Commission of Miami Beach, Florida, hereby approve, pursuant to Section 2-367 (d) of the Miami Beach City Code, the sole source purchase of SD-42 Ironsite Series Litter Receptacles, and all department-issued accessories, from Victor Stanley Inc., the sole authorized State of Florida distributor.

PASSED and ADOPTED this 10 day of September, 2014.

Condensed Title:

A Resolution Of The Mayor And City Commission Of The City Of Miami Beach, Florida Approving Pursuant To Section 2-367(d) Of The Miami Beach City Code, The Sole Source Purchase Of SD-42 Ironsite Series Litter Receptacles, From Victor Stanley Inc., The Sole Manufacturer Authorized Distributor In The State Of Florida For Victor Stanley Litter Receptacles.

Key Intended Outcome Supported:

Improve cleanliness of Miami Beach rights of way especially in business areas.

Supporting Data (Surveys, Environmental Scan, etc.):N/A

Item Summary/Recommendation:

The Sanitation Division has been using Victor Stanley style litter receptacles since 2004. While there are other litter receptacles on the market, the Victor Stanley brand is the standard amongst many government agencies, including the City of Key West, Fort Lauderdale and Orlando. In 2004, the Sanitation Division began to transition to the Victor Stanley litter receptacles, and is set to begin replacing the older model receptacles with the new SD-42 model during fiscal year 2013-14. Victor Stanley Inc. requires that all Florida agencies purchasing Victor Stanley products do so through Site Horizons., the sole authorized distributor for the region.

The purpose of this request is to authorize the Public Works Sanitation Division to continue purchasing Victor Stanley brand litter receptacles, in accordance with the manufacturer's distribution requirements, as a sole source purchase pursuant to Code Section 2-367 (d).

ANALYSIS

Victor Stanley Inc. develops and manufactures litter receptacles designed for use in solid waste, parks organizations as well as private businesses.

The company makes litter receptacles for two main types of market segments: solid waste, parks, and professional markets, and the consumer market. Its products use Hot Dip Galvanizing (HDG) which includes an aggressive pre-treatment and immersion in a tank of charged liquid zinc at about 650 degrees Fahrenheit. Lead time for the manufacturing of litter receptacles is approximately 6-8 weeks.

Victor Stanley Inc., is the sole manufacturer of all Victor Stanley Brand Products, including the aforementioned SD-42 and all accessories. Victor Stanley Inc., is the authorized SD-42 distributor for the State of Florida. Attached, please find Appendix "A" for a copy of the sole source letter from Victor Stanley Inc.

Victor Stanley, Inc., and Site Horizons, sets the pricing. Both the manufacture and the sole distributor have extended the same pricing available to other agencies in the country.

In addition, the City of Key West, the City of Fort Lauderdale, and the City of Orlando have utilized Victor Stanley products in their Solid Waste Departments.

THE ADMINISTRATION RECOMMENDS APPROVING THE RESOLUTION.

Advisory Board Recommendation:

DATE: September 10, 2014

SUBJECT: **A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA APPROVING PURSUANT TO SECTION 2-367(D) OF THE MIAMI BEACH CITY CODE, THE SOLE SOURCE PURCHASE OF SD-42 IRONSITE SERIES LITTER RECEPTACLES, AND ALL DEPARTMENT-ISSUED ACCESSORIES, FROM VICTOR STANLEY INC., THE SOLE MANUFACTURER AUTHORIZED DISTRIBUTOR IN THE STATE OF FLORIDA FOR VICTOR STANLEY BRAND PRODUCTS.**

ADMINISTRATION RECOMMENDATION

The Administration recommends adopting the Resolution.

FUNDING

Account Codes:

178.6884.000343 - \$40,000.00 - Waste Hauler Contributions Receptacles

Current FY expenditures are estimated at the approved budgeted amount of \$40,000. Future purchases will be based on approved budgeted amounts.

BACKGROUND

The Sanitation Division has been using Victor Stanley style litter receptacles since 2004. While there are other litter receptacles on the market, the Victor Stanley brand is the standard amongst many government agencies, including the City of Key West, Fort Lauderdale and Orlando. In 2004, the Sanitation Division began to transition to the Victor Stanley litter receptacles, and is set to begin replacing the older model receptacles with the new SD-42 model during fiscal year 2013-14. Victor Stanley Inc. requires that all Florida agencies purchasing Victor Stanley products do so through Site Horizons., the sole authorized distributor for the region.

The purpose of this request is to authorize the Public Works Sanitation Division to continue purchasing Victor Stanley brand litter receptacles, in accordance with the manufacturer's distribution requirements, as a sole source purchase pursuant to Code Section 2-367 (d).

ANALYSIS

Victor Stanley Inc. develops and manufactures litter receptacles designed for use in solid waste, parks organizations as well as private businesses.

The company makes litter receptacles for two main types of market segments: solid waste, parks, and professional markets, and the consumer market. Its products use Hot Dip Galvanizing

(HDG) which includes an aggressive pre-treatment and immersion in a tank of charged liquid zinc at about 650 degrees Fahrenheit. Lead time for the manufacturing of litter receptacles is approximately 6-8 weeks.

Victor Stanley Inc., is the sole manufacturer of all Victor Stanley Brand Products, including the aforementioned SD-42 and all accessories. Victor Stanley Inc., is the authorized SD-42 distributor for the State of Florida. Attached, please find Appendix "A" for a copy of the sole source letter from Victor Stanley Inc.

Victor Stanley, Inc., and Site Horizons, sets the pricing. Both the manufacture and the sole distributor have extended the same pricing available to other agencies in the country.

In addition, the City of Key West, the City of Fort Lauderdale, and the City of Orlando have utilized Victor Stanley products in their Solid Waste Departments.

CONCLUSION

The Administration recommends that the Mayor and City Commission adopt the attached resolution, authorizing sole source procurement, pursuant to Section 2-367 (d) of the Miami Beach City Code, from Victor Stanley Inc., the sole authorized distributor in the State of Florida, for SD-42 Ironsite Series litter receptacles and accessories manufactured by Victor Stanley, Inc.

| Qty | Model No | Description | Unit Cost | | Total |
|-----|----------|--|------------|-----|-------------|
| 100 | SD-42 | Ironsites Series Side Door Litter Receptacle, Latch, Standard Tapered Formed Lid, Black Plastic Liner | \$1,048.00 | 10% | \$94,320.00 |
| 100 | HDG | Hot Dip Galvanizing Per SD-42 | \$253.00 | | \$25,300.00 |

"Hot-Dip Galvanizing is performed for us by an experienced qualified firm to which we ship our products for galvanizing. Hot-Dip Galvanizing includes an aggressive pre-treatment and immersion in a tank of charged liquid zinc at about 650 deg. F. The resulting surface is resistant to rust but has some unevenness resulting from the bonding of the zinc to the steel surface. As a result, powder-coating over that galvanized surface may be somewhat uneven and not completely smooth. This is normal for Hot Dip Galvanizing."
