WHEREAS, the City Administration applies for grants and external funding from outside organizations; and

WHEREAS, the City Administration requests approval to apply for funding for funds in the amount of approximately \$2.1 million from the Florida Department of Transportation, County Incentive Grant Program, the details of which are as follows:

- \$1,516,000 for the rehabilitation of the 23rd Street Complete Street Project.
 - A. This project will dramatically improve traffic flow and provide more safety to pedestrians on 22nd Street, 23rd Street and Park Avenue. Project components include, but are not limited to signal timing modifications, traffic calming improvements and new bicycle lanes. The project will reduce greenhouse gases and improve environmental resiliency.
 - B. The total project cost is \$3,032,000. The City is requesting funding in the approximate amount of \$1,516,000. Matching funds in the amount of \$1,516,000 are required by this grant and the match is available from City of Miami Beach GO Bond #43, Capital Project No. 68619.

- \$570,111 for the rehabilitation of the Chase Avenue and 34th Street Shared User Path Project.
 - C. The project will dramatically improve traffic flow and provide more safety to pedestrians on 22nd Street, 23rd Street and Park Avenue.
 - D. The project consists of a new shared-use path along the south side of both Chase Avenue and 34th Street that provides multi-modal connectivity between the proposed Alton Road Shared-Use path to the south and the existing green bicycle lanes on Prairie Avenue to the east.
 - E. The project also includes traffic calming improvements along with pedestrian and bicycle safety improvements at the intersection of Alton Road/Chase Avenue/North Bay Road.
 - F. The total project cost is \$1,140,300. The City is requesting funding in the approximate amount of \$570,111. Matching funds in the amount of \$570,111 are required by this grant and the match is available from City of Miami Beach GO Bond #43, Capital Project No. 68619; and

WHEREAS, the City Administration requests approval to apply for funding for funds in the amount of approximately \$25,000 from the Bloomberg Philanthropies, Asphalt Art Initiative Grant Program for the North Beach: One City, One Community, One Team project, the details of which are as follows:

- The Asphalt Art Initiative grant program is designed to fund visual art interventions on roadways, pedestrian spaces, and public infrastructure in small- and medium sized U.S. cities with the goal of improving street and pedestrian safety, revitalizing and beautifying underutilized public space, and promoting collaboration and civic engagement in local communities.
- The project will include the selection of an artist, design and installation of the art. An artist or several artists may be selected to develop a proposal for the project or produce the desired works of art through a Call for Artists.
- The City's Art in Public Places Committee will be responsible for the creative vision of the project. The Administration will engage the community in the surrounding neighborhood throughout the project's planning, development and implementation by hosting a community meeting to obtain input from the residents on the artwork image for the lot.
- The City is requesting funds for the revitalization and beautification of the lot located at 82nd Street and Collins Avenue in the approximate amount of \$25,000.
- Matching funds are not required; and

WHEREAS, the City Administration requests approval to apply for funds, in approximate amount of \$150,000, from the Knight Foundation, Data for Civic

Engagement Grant to develop a Best Practice Standard for Municipal Bond Program Communication, the details of which are as follows:

- The Knight Foundation is a national foundation with strong local roots and is looking for new ways in which they can transform how data is collected and used to build stronger, thriving, and more engaged communities.
- The City is requesting funds for the development of a best practice standard for municipal bond program communication, using www.GOMBInfo.com as a model.
- The Administration is requesting funding, in the approximate amount of \$150,000 to expand and upgrade the existing Open Data Dashboard system to include features such as GIS mapping and dynamic visualization features.
- This would provide citizens, project manager, bond investors and the community with an invaluable tool to monitor the GO Bond Program. This grant does not require matching funds; and

WHEREAS, the City Administration requests approval to apply for grant funds, in the approximate amount of \$75,000 from the Miami Beach Visitor and Convention Authority, Tourism Advancement Program, for the No-Vacancy, Miami Beach Project, the details of which are as follows:

- The mission of the Miami Beach Visitor and Convention Authority (“MBVCA”) is to encourage, develop and promote the image of Miami Beach locally, nationally and internationally as a vibrant community and superb tourist destination. The MBVCA proactively recruits, develops, promotes and financially supports and partners with events, festivals, programs and activities that are innovative, high quality and representative of our city and garner positive or noteworthy media awareness and enhances the city’s reputation.
- The Administration is requesting funding for ‘No Vacancy’, a contemporary art project that invites the public to experience Miami Beach’s hotels as destination art spaces by turning hotels into temporary cultural institutions. Art will be exhibited throughout ten hotels in Miami Beach and will be free and open to the public.
- The City is requesting \$75,000 for artists, installation, marketing and project management. Matching funds in the amount of \$75,000 are available from Account Number: 011-0383-000374-25-406-551-00-00-00; and

WHEREAS, the City Administration requests approval to apply for funds in the amount of \$180,000 for Fiscal Year 2020 from the U.S. Department of Homeland Security, Urban Area Security Initiative, the details of which are as follows:

- The Urban Areas Security Initiative (“UASI”) Program is funded through the U.S. Department of Homeland Security and funds are intended to assist high-

threat, high-density Urban Areas to build and sustain the capabilities necessary to prevent, protect against, mitigate, respond to, and recover from acts of terrorism.

- The federal government allocates funding to the different Urban Area groups based on a risk-based methodology. UASI funds assist in building an enhanced and sustainable capacity to prevent, protect against, mitigate, respond to, and recover from acts of terrorism.
- The Administration has been notified that additional funding for the Fiscal 2020 grant program may be available and the City is therefore requesting the additional funding, in the approximate amount of \$180,000 as part of a collaborative effort with the Miami Urban Area Working Group.
- The City will be utilizing the additional grant funds for Miami Beach security initiatives, including physical security enhancements to City Hall and increasing the capability of the City's emergency response departments. The project will improve the capacity and capability of the City's teams and lead to more positive outcomes.
- Matching funds are not required for this grant; and

WHEREAS, the City Administration requests approval to re-apply for funds in the amount of \$372,000 from the Children's Trust Youth Enrichment Grant Program for the City's All Start Program, the details of which are as follows:

- The City of Miami Beach is requesting a renewal grant from The Children's Trust for the All Stars Youth Enrichment Program in the amount of \$372,000 for the service period of August 1, 2020 through July 31, 2021.
- Through a structured design of evidence-based and outcomes-driven practices and strategies, All Stars seeks to promote the academic success and positive personal development of underserved youth within the community.
- During the school year, All Stars serves approximately 135 Nautilus Middle School students through its after-school program housed within the school. During the after-school program, highly interactive, skill building activities are provided in the following focus areas: academics, social-emotional learning, STEAM, fitness, entrepreneurship, and community service. During the summer, All Stars serves approximately 35 middle school-aged youth throughout the community through its STEAM program at Miami Beach Regional Library.
- Meals and transportation are provided for both the after school and summer program. Through funding from The Children's Trust and partnerships with Miami-Dade County Public Schools and the Miami-Dade Public Library System, the City is able to provide all program offerings at no cost to the community's families.

- The City is requesting renewal funding in the approximate amount of \$371,089. Match funds are not required.

NOW, THEREFORE, BE IT DULY RESOLVED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, that the Mayor and City Commission hereby approve and authorize (and, as to certain agreements retroactively approve and authorize) the City Manager, or his designee, to apply for, accept and appropriate funding (including matching funds and any related city expenses), and to execute any and all documents or agreements in connection with the following grants, programs, and agreements: Florida Department of Transportation, County Incentive Grant Program, in the approximate amount of \$2.1 Million; 2) Bloomberg Philanthropies, Asphalt Art Initiative, in the approximate amount of \$25,000; 3) the Knight Foundation, Data for Civic Engagement Grant Program in the approximate amount of \$150,000; 4) Miami Beach Visitor and Convention Authority, Tourism Advancement Program in the Approximate Amount of \$75,000; 6) U.S. Department of Homeland Security, Urban Area Security Initiative, in the approximate amount of \$180,000 for Fiscal Year 2020 Funding; 7) Renewal of the Children's Trust Youth Enrichment Grant Program in the approximate amount of \$372,000.
