**CHAPTER 142
ZONING DISTRICTS AND REGULATIONS**

ARTICLE III. – OVERLAY DISTRICTS

DIVISION 14 – SUNSET HARBOUR MIXED-USE NEIGHBORHOOD OVERLAY DISTRICT

Sec. 142-870.19. – Location and purpose.

- (a) There is hereby created the Sunset Harbour Mixed-Use Neighborhood Overlay District (the "Overlay District"). The Overlay District consists of the properties in the Sunset Harbour Area, which is generally bounded by Purdy Avenue to the west, 20th Street and the waterway to the north, Alton Road to the east, and Dade Boulevard to the south, as further identified in the map below:

- (a) The Sunset Harbour Mixed-Use Neighborhood Overlay District shall have two areas, as follows:
- (1) Perimeter Commercial Corridors: The Perimeter Commercial Corridors include the properties fronting Dade Boulevard between Bay Road on the west and Alton Road on the east; and the properties fronting Alton Road between Dade Boulevard on the south and 20th Street on the north.
 - (2) Neighborhood Center: The neighborhood center includes all properties that are not within the Perimeter Commercial Corridors, as described above.
- (b) The purpose of this Overlay District is to limit the proliferation of uses which may diminish the character of a unique mixed-use residential neighborhood within the City. This Overlay District is designed based on and intended to achieve the following facts and intents:
- (1) Sunset Harbour has evolved from what started as a primarily industrial and commercial neighborhood, into the present vibrant mixed-use residential neighborhood that provides area residents with a unique retail and dining experience;

- (3) Formula commercial establishments and formula restaurants are increasing in number in mixed-use and commercial districts within the City;
- (4) The sameness of formula commercial establishments, while providing clear branding for retailers, counters the City's Vision Statement which includes creating "A Unique Urban and Historic Environment";
- (5) Notwithstanding the marketability of a retailer's goods or services or the visual attractiveness of the storefront, the standardized architecture, color schemes, decor and signage of many formula commercial establishments detract from the distinctive character and aesthetics of unique mixed-use residential neighborhoods like the Sunset Harbour Neighborhood; and
- (6) Specifically, the proliferation of formula commercial establishments may unduly limit or eliminate business establishment opportunities for independent or unique businesses, thereby decreasing the diversity of retail activity and dining options available to local residents; and
- (7) The increased level of homogeneity detracts from the uniqueness of residential and mixed-use neighborhoods, which thrive on a high level of interest maintained by a mix of retail and dining experiences that are not found elsewhere in the city, state, or country;
- (8) It is the intent of the City that if an establishment that has multiple locations and standardized features or a recognizable appearance seeks to locate within certain areas affected by this ordinance that such establishment provide a distinct array of merchandise, façade, décor, color scheme, uniform apparel, signs, logos, trademarks, and service marks.

Sec. 142-870.20. – Compliance with regulations.
