**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE AMENDING THE CITY OF MIAMI BEACH 2040 COMPREHENSIVE PLAN, PURSUANT TO THE EXPEDITED STATE REVIEW PROCESS OF SECTION 163.3184(3), FLORIDA STATUTES, BY AMENDING THE “RESILIENT LAND USE AND DEVELOPMENT ELEMENT,” GOAL RLU 1, ENTITLED “LAND USE,” OBJECTIVE RLU 1.1, ENTITLED “ESTABLISHMENT OF FUTURE LAND USE CATEGORIES,” AT POLICY RLU 1.1.9, ENTITLED “MEDIUM INTENSITY COMMERCIAL (CD-2),” TO INCREASE THE MAXIMUM FLOOR AREA RATIO (FAR) WITHIN THE “WOLFSONIAN ARTS DISTRICT”; AND DESIGNATING THE “WOLFSONIAN ARTS DISTRICT” ON THE FUTURE LAND USE MAP; AND PROVIDING FOR INCLUSION IN THE COMPREHENSIVE PLAN, TRANSMITTAL, REPEALER, SEVERABILITY, AND AN EFFECTIVE DATE.**

**WHEREAS**, the City of Miami Beach has the authority to enact laws which promote the public health, safety and general welfare of its citizens; and

**WHEREAS**, Miami Beach native Mitchell Wolfson Jr. amassed a world-class collection of artifacts, collectibles, and art that traces society’s transition during one of the greatest periods of growth and change humanity has ever known between 1850 and 1950, commonly referred to as the Modern Age; and

**WHEREAS**, the collection was originally stored and amassed in the Washington Storage Company building, a Mediterranean Revival building constructed in 1927 that is a beacon of history and culture in Miami Beach; and

**WHEREAS**, Mitchell Wolfson Jr. founded the Wolfsonian Foundation, which purchased the former Washington Storage Company building to showcase the collection for the benefit of the public, and to attract researchers and scholars from around the world to Miami Beach; and

**WHEREAS**, in 1992, renowned architects Mark Hampton and William Kearns masterfully renovated and expanded the Washington Storage Company building as a state-of-the-art museum and research center to serve as an iconic landmark of Miami Beach’s historic Art Deco District (hereinafter referred to as the “Wolfsonian”); and

**WHEREAS**, in 1997, the Wolfsonian was generously gifted to Florida International University, which greatly increased opportunities for community engagement, as well as expanded the Wolfsonian and Florida International University’s cultural and scholarly influence; and

**WHEREAS**, in 2009 and 2012, the Wolfsonian was recognized as a world-class cultural institution and awarded grants from the Andrew W. Mellon Foundation and James L. Knight Foundation to expand access to the collection and increase cultural enrichment opportunities both physically and online; and

**WHEREAS**, the City of Miami Beach seeks to enrich and sustain cultural institutions such as the Wolfsonian that solidify Miami Beach as a center of history, culture, and design; and

**WHEREAS**, in order to expand its programs, including children's and education programs, increase community and scholarly engagement with the arts, encourage greater online and physical access, and grow the collection, the Wolfsonian seeks to renovate and expand its prized Washington Avenue building; and

**WHEREAS**, the previous expansion and renovation that permitted the proliferation of the Wolfsonian as an influential cultural institution in combination with the zoning regulations applicable to the property depleted the development rights available for the planned and funded future expansion of the Wolfsonian; and

**WHEREAS**, the City previously created development regulations specific to Washington Avenue pursuant to the input and recommendations of the Mayor's Washington Avenue Blue Ribbon Task Force; and

**WHEREAS**, consistent with the City's efforts the Wolfsonian has contributed to the locally designated Historic District and the improvement of conditions on Washington Avenue; and

**WHEREAS**, the proposed expansion of the Wolfsonian presents a unique opportunity for the City to encourage engagement with the City's historic and artistic roots; and

**WHEREAS**, the Wolfsonian property is located within the CD-2 District that fronts on the east side of Washington Avenue and is uniquely situated to serve as the Wolfsonian Arts District; and

**WHEREAS**, the proposed zoning regulations applicable to the Wolfsonian Arts District will allow for increased Floor Area Ratio and modified setback requirements to reflect the unique opportunity for enhancement of a thriving cultural institution; and

**WHEREAS**, the proposed zoning regulations applicable to the Wolfsonian Arts District will not impact the surrounding properties and will incentivize establishment of arts and cultural institutions in the City; and

**WHEREAS**, the Wolfsonian-FIU is a major cultural institution located on Washington Avenue in the City of Miami Beach; and

**WHEREAS**, in November 2004, as part of the Building Better Communities General Obligation Bonds (BBC-GOB), Miami-Dade County voters approved \$10 million for The Wolfsonian-FIU to add 25,000 square feet of new publicly accessible space; and

**WHEREAS**, The FIU-Wolfsonian is located in the CD-2 district which has a maximum FAR 1.5 for non-mixed use buildings; and

**WHEREAS**, The FIU-Wolfsonian facility is a legal non-conforming building that exceeds the current maximum FAR applicable to the property; and

**WHEREAS**, the amendments set forth below are necessary to accomplish all of the above objectives.
