# Practical Difficulties

Wind Load — Requires Deep Footer

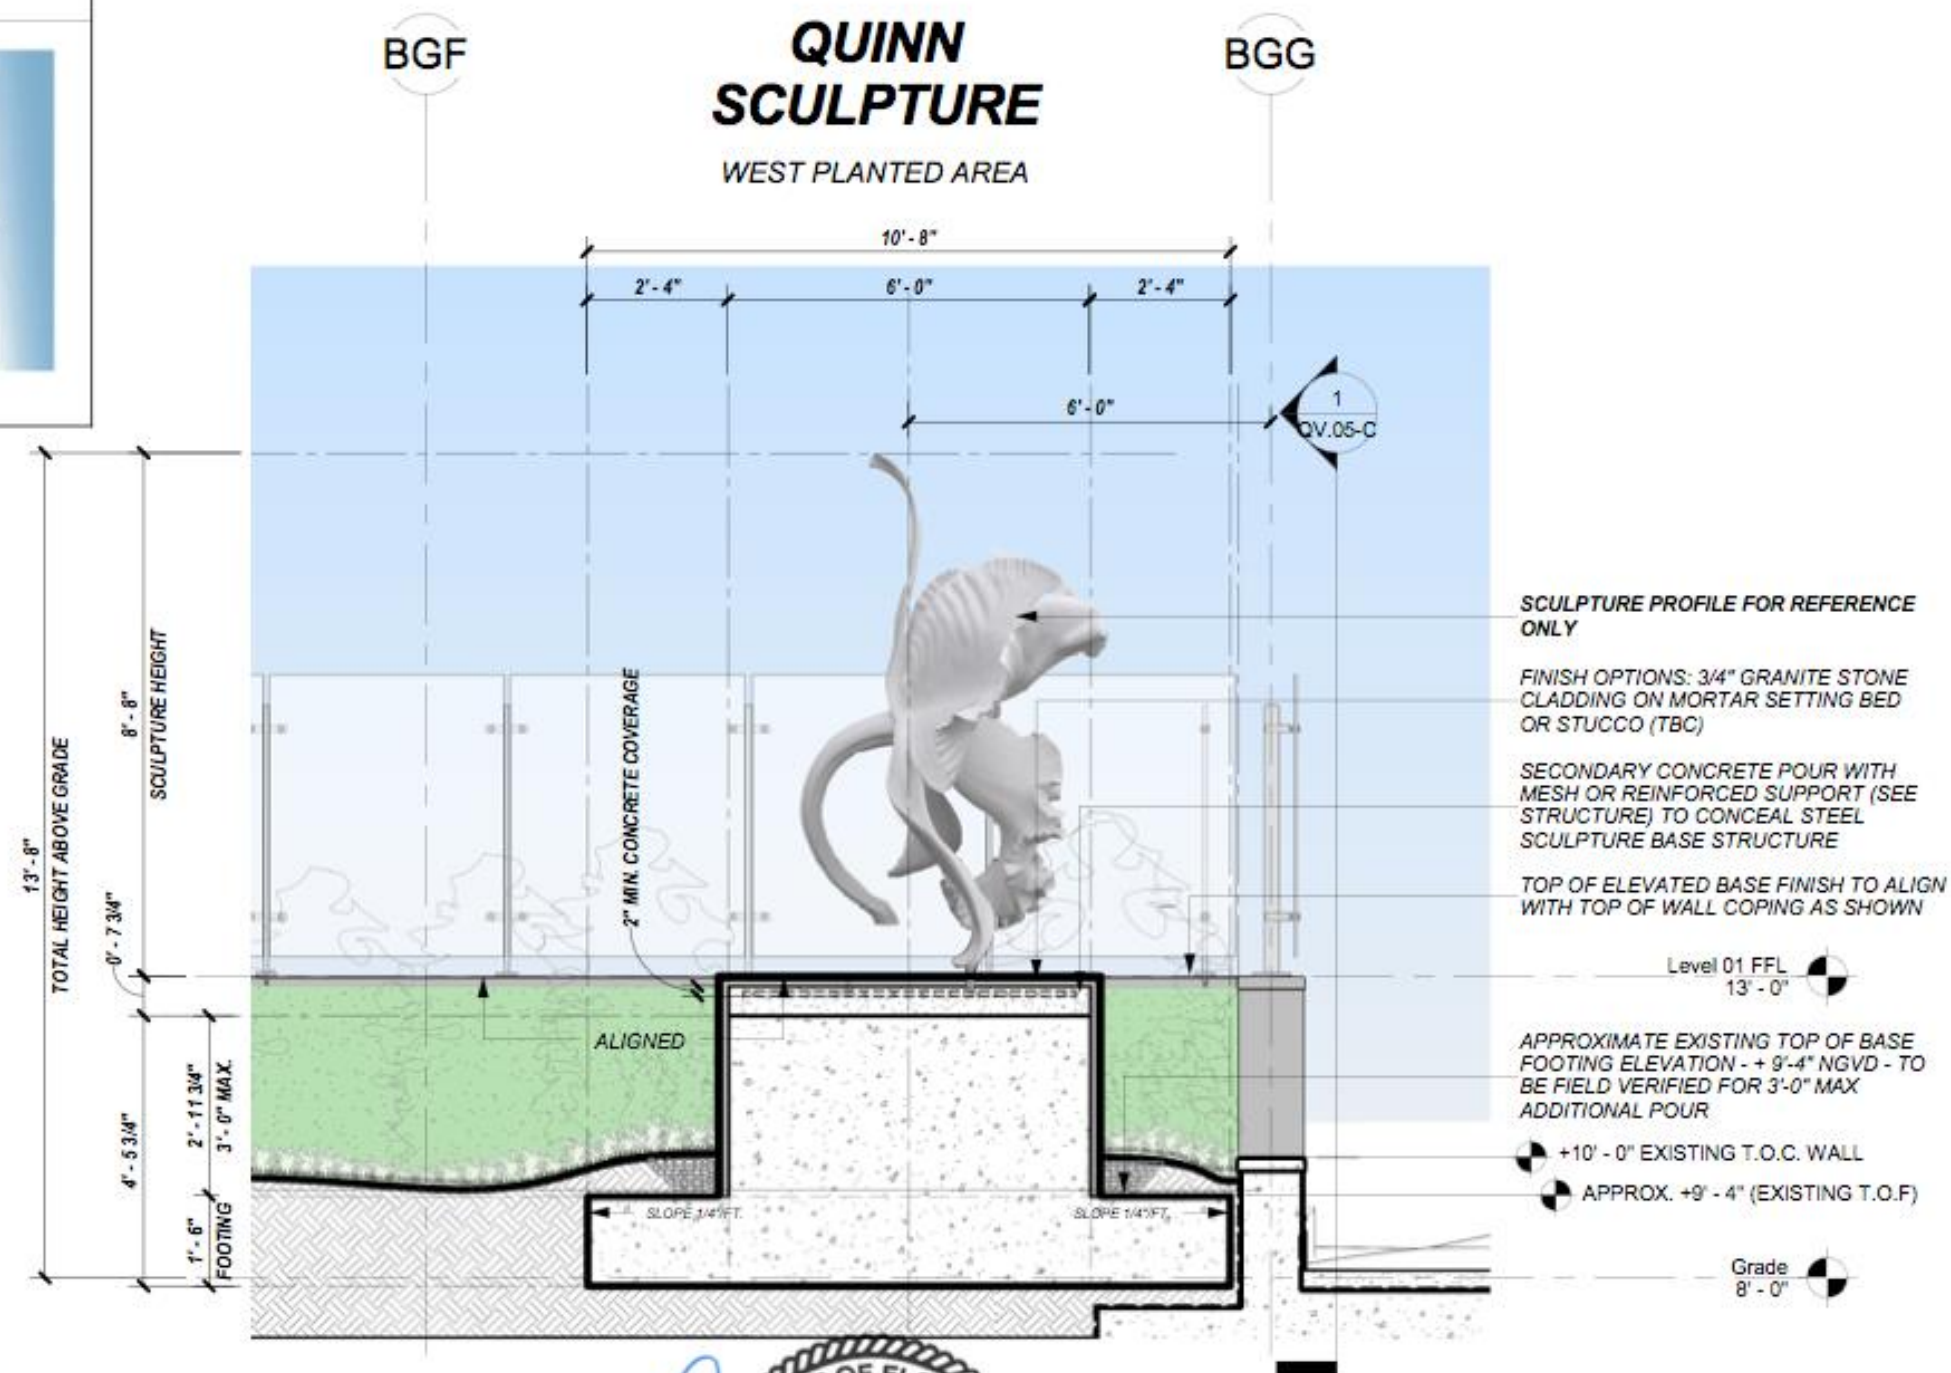

Subterranean Garage Structure — Prevents  
Installation of Deep Footer

Solution — Locate Sculpture in Earth Soil  
Area

An aerial view of the stadium and surrounding area. The stadium is a large, oval-shaped structure with a blue roof. It is surrounded by greenery and a road. A red dot on the left side of the stadium indicates the location of the sculpture. The surrounding area includes a road, a parking lot, and a body of water on the right side.
