Such comparable library facility shall thereupon be deemed a part of the Leased Premises as if specifically listed herein. If the City does not exercise this option within one (1) year from the date said funds become available, or the proceedings received by the City for such eminent domain proceedings are insufficient to pay for the cost of a comparable library facility, then and in that event, this Agreement shall be subject to cancellation, at the option

Such property which the County may acquire from the City at no cost or nominal cost, the County shall convey to the City at the same nominal cost. The value of the fixed improvements made by the County to the Leased Premises (the Library Improvements) to be reimbursed by the City to the County, shall be determined by

agreement of the parties hereto, based on a straight line amortization over the useful life of the fixed/permanent improvements. By way of example, if the County's cost of the Library Improvements was \$30,000, and the useful life is ten (10) years, if the City cancels this Agreement at the end of the third year following County's installation of the Library Improvements, then the City shall reimburse the County the amount of \$21,000 (\$30,000 divided by 10 years equals \$3,000 per year; \$3,000 times seven (7) years remaining useful life equals \$21,000). If such agreement cannot be reached, then such value shall be determined by appraisal. The value of such Library Improvements shall be determined, based upon the method above, as follows:

(i) Each party shall appoint one (1) qualified MAI building appraiser, and the value to be paid by the City to the County shall be the average of the two appraisals on the Library improvements and the average of the two MAI building appraisals, provided the difference of the appraisals shall be within ten percent (10%) of the highest appraisal.

(ii) If the appraisals are not within ten percent (10%) of the highest appraisal, then said appraisers as appointed by the two governing bodies shall jointly meet and shall each appoint a third appraiser and the average of the two (2) closest appraisals shall be final and binding upon the parties hereto.

Upon the expiration of the one hundred eighty (180) days' notice of cancellation of this Agreement, as further described in paragraph 2, and upon ascertainment of the value of the improvements to the property to be reimbursed to the County by the City, the City shall pay to the County the total amount due to Miami-Dade County.
