Dear Board Members and Planning Staff,

Let this letter serve as the letter of intent in support of the owner's request for Design Review Board (DRB) approval of design changes to the 3 story and roof deck Synagogue, located at the above mentioned address.

We are NOT seeking any new waivers or variances for this project, we are merely seeking design changes, pertaining to materiality and aesthetics. All waivers and Variances used in this design have been previously approved as DRB 18-0346.

I ask for your support and your vote in favor of the design so that we may proceed with the project . We ask that the Board approve our application as submitted. Should you have any questions regarding the application, please do not hesitate to contact our offices at the number listed below.

Sincerely,
