

## NARRATIVE RESPONSE SHEET

There were comments received on 10-30-2020, below is how we have addressed them.

1. Comment I: Missing Letter of Intent – the letter is being uploaded for final submittal 11-09-2020.
2. Comment II: Missing Land Use Board application – the Application is being uploaded for final submittal 11-09-2020.
3. Comment III: Missing Labels – We have contacted “The Zoning Specialists Group, Inc.” and they provided us with the Owners List, the Radius Map, and Mailing Labels. All which is being uploaded for Final Submittal 11-09-2020.
4. Comment IV: Combine Drawings and Plans and Photos to a single set of PDF – All files have been combined into a single PDF and is being uploaded for final submittal 11-09-2020.
5. Comment V: Add additional sheet of color photos of front of property and area of roof installation – In the PDF with drawings and images and additional page of images of the property showing different angles of the house front the front side view and view of the area that will contain solar panels have been added titles “Additional Images”. The document is being uploaded for final submittal 11-09-2020.
6. Comment VI: Add “FINAL SUBMITTAL” to front cover title for heightened clarity of reference for next deadline – “FINAL SUBMITTAL” has been added to front cover title and is being uploaded for final submittal 11-09-2020.
7. Comment VII: Add narrative response sheet – Sheet contains comments and how they have been addressed and is being uploaded for final submittal 11-09-2020.
8. Comment VIII: Add a photo simulation of the panels on the roof – Photo simulation was developed by professional Engineer Hollyce Hoover P.E. and is being uploaded for final Submittal 11-09-2020.

This concludes the comments issued by the Design review board of Miami Beach. We feel we have addressed all comments properly and hope to be accepted and approved at the DRB meeting scheduled tentatively for 01-05-2020.
