SECTION 0100 **INSTRUCTIONS TO RESPONDENTS & GENERAL CONDITIONS**

1. GENERAL. This Request for Qualifications (RFQ) is issued by the City of Miami Beach, Florida (the “City”), as the means for prospective Proposers to submit proposals for the City’s consideration in evaluating qualifications to select a firm with whom it may negotiate an agreement for the purpose noted herein.

The City utilizes Periscope S2G (formally known as BidSync) (www.periscopeholdings.com or www.bidsync.com) for automatic notification of competitive solicitation opportunities and document fulfillment, including the issuance of any addendum to this RFQ. Any prospective Proposer who has received this RFQ by any means other than through Periscope S2G must register immediately with Periscope S2G to assure it receives any addendum issued to this RFQ. Failure to receive an addendum may result in disqualification of proposal submitted.

2. PURPOSE. The purpose of this RFQ is to receive proposals from firms that provide credit card merchant processing, electronic checks, and gateway services. Merchant processing is defined as the ability of a merchant (City of Miami Beach in this case) to accept credit card transaction payments through a secure channel. Vendors who provide merchant processing services are called merchant processors. Electronic checks are a form of payment made via the internet or another data network designed to perform the same function as conventional paper checks. Gateway services allow the merchant processor to satisfy the security protocols required to transmit the payment transactions between the merchant and the merchant processor, thus facilitating instantaneous credit card payment transactions from customers. The City currently has agreements with First Data and Authorize.Net to provide credit card merchant processing and gateway services for payments received by credit card and electronic check. In addition, the City has several merchant processing and gateway services providers that are embedded in propriety software that the City utilizes for billing customers for utility (OpenEdge), parking (Windcave, T2, ParkMobile), parks & recreation (CardConnect), miscellaneous city billing (PayPal) and golfing services (Cayan). In anticipation of existing contracts expirations, the City is seeking proposals for credit card merchant processing, electronic check and gateway services currently provided by First Data and Authorize.Net.

3. STATEMENT OF WORK REQUIRED. Proposals are to be limited to the credit card merchant processing, electronic check and gateway services provided by Authorize.Net and First Data because the remaining service providers are embedded in the propriety point of sale software requiring the City to terminate usage of the software to change the vendors involved in the merchant processing, electronic check and gateway services. Currently, Authorize.Net provides electronic check and gateway services while FirstData provides credit card merchant processing services for used for non-embedded merchant processing services.

The prospective merchant processors and gateway providers must be able to integrate with the point of sales and software used by the City of Miami Beach. The City uses the following points of sale for the revenue items below.

1. Parking (T2, ParkMobile, Parking Manager, Skidata, City of Miami Beach web-based payment portal)
2. EnerGov Cap,iPads & Kiosks
3. Eden (Utilities web payments)
4. Electronic checks for Eden/EnerGov
5. Citizens Self Service (Munis)
6. RecTrac
7. City of Miami Beach web-based payment portal (resort tax, off-duty, liens and in-person payments).

The above listing is dynamic and not all-inclusive; therefore, it is subject to change.

In addition, providers must be able to provide on-line resource for retrieving, reviewing, printing and/or downloading transactions and settlement data. Providers must also have the ability to provide multiple user access to on-line reporting.

Subject to the foregoing criteria, Force Majeure may include events such as war, civil insurrection, riot, fires, epidemics, pandemics, terrorism, sabotage, explosions, embargo restrictions, quarantine restrictions, transportation accidents, strikes, strong hurricanes or tornadoes, earthquakes, or other acts of God which prevent performance. The timely delivery of the notice of the occurrence of a Force Majeure event is a condition precedent to allowance of any relief pursuant to this section; however, receipt of such notice shall not constitute acceptance that the event claimed to be a Force Majeure event is in fact Force Majeure, and the burden of proof of the occurrence of a Force Majeure event shall be on the requesting party.
- (C) No party hereto shall be liable for its failure to carry out its obligations under the Agreement during a period when such party is rendered unable, in whole or in part, by Force Majeure to carry out such obligations. The suspension of any of the obligations under this Agreement due to a Force Majeure event shall be of no greater scope and no longer duration than is required. The party shall use its reasonable best efforts to continue to perform its obligations hereunder to the extent such obligations are not affected or are only partially affected by the Force Majeure event, and to correct or cure the event or condition excusing performance and otherwise to remedy its inability to perform to the extent its inability to perform is the direct result of the Force Majeure event with all reasonable dispatch.
- (D) Obligations pursuant to the Agreement that arose before the occurrence of a Force Majeure event causing the suspension of performance shall not be excused as a result of such occurrence unless such occurrence makes such performance not reasonably possible. The obligation to pay money in a timely manner for obligations and liabilities which matured prior to the occurrence of a Force Majeure event shall not be subject to the Force Majeure provisions.
- (E) Notwithstanding any other provision to the contrary herein, in the event of a Force Majeure occurrence, the City may, at the sole discretion of the City Manager, suspend the City’s payment obligations under the Agreement, and may take such action without regard to the notice requirements herein. Additionally, in the event that an event of Force Majeure delays a party’s performance under the Agreement

for a time period greater than thirty (30) days, the City may, at the sole discretion of the City Manager, terminate the Agreement on a given date, by giving written notice to Consultant of such termination. If the Agreement is terminated pursuant to this Section, Consultant shall be paid for any Services satisfactorily performed up to the date of termination; following which the City shall be discharged from any and all liabilities, duties, and terms arising out of, or by virtue of, this Agreement. In no event will any condition of Force Majeure extend this Agreement beyond its stated term.
