Dear Board Members:

I, Alex Biche reside  
at 5 Farrey Lane Miami  
Beach, Florida 33139 and provide this correspondence as my  
support for the revision to the plans of the existing Chabad  
House located at 14 Farrey Lane. I appreciate the time Rabbi  
Mann has taken to explain the project and required approvals  
necessary for the development of this property,

After careful review of the plans with the Rabbi, I fully  
support my neighbor and the current applications for Design  
Review approvals. As such, I strongly encourage your approval  
of a new and improved religious facility for the safety and  
enjoyment of the local residents and congregants of the Chabad  
House.

Sincerely,
