A Title I – Tuition Free Public Charter School

April 19th, 2021

To Whom it May Concern,

On behalf of South Florida Autism Charter School (SFACS), I would like to convey our support for the 2021 Celebrity Beach Soccer Match hosted by North Bay Village Commissioner Julianna Strout. This would be our first year partnering with them and we are excited to have our community be a part of this wonderful event to bring more awareness on autism and other developmental disabilities. SFACS is a tuition-free charter school that serves individuals diagnosed with autism spectrum disorder and we make it our mission to have our students have the same experiences as your neurotypical student would. We believe this event will allow them this opportunity as well.

We are overjoyed that Commissioner Julianna Strout has reached out to us to participate in this event. We look forward to this newfound partnership as we continue to serve those individuals with special needs and their families.

Sincerely,

Tamara Moodie
