**State Highway Lighting, Maintenance and Compensation Agreement Work Order:**  
**City of Miami Beach (Period from 07/01/2020 thru 06/30/2021)**

Dear Mr. De La Torre:

As stated on page 2 of the State Highway Lighting, Maintenance, and Compensation Agreement between City of Miami Beach (Maintaining Agency) and the Florida Department of Transportation (FDOT), the FDOT will issue a Work Order confirming the amount and authorizing the performance of maintenance for each new fiscal year (FY).

This Work Order hereby authorizes City of Miami Beach to perform maintenance on those lights on the FDOT highway system for fiscal year 2020-2021. The amount of compensation for your maintenance of the highway lighting on the FDOT highway system for Fiscal Year 2020-2021 will be \$187,982.64.

The previous dollar amount is the result of the following:  
 $696 \text{ (# of luminaires)} \times 0.90 \times \$300.10 = \$187,982.64$

Current funding for FY 2021 of \$187,982.64 shall be encumbered upon signature of this work order.

If you agree with this amount, please sign in the space provided and return this letter to the Department.

Sincerely,

June 5, 2020
