BOARD APPLICATION CHECK LIST

A Pre-Application meeting must be scheduled via CSS to obtain a plan case number and for board staff review of all submittals, and review by the Development Review Committee, as needed.

Pre-Application meetings for applications that do not require a traffic study are scheduled on a first come-first served basis and must occur no later that five(5) business days prior to CSS First submittal.

Applications requiring a traffic study must meet with Planning, Transportation, and peer reviewer sixty (60) days* prior to First submittal deadline to determine the methodology for the traffic impact study. This meeting is considered the "Pre-Application meeting" and must be scheduled via CSS to obtain a plan case number for review and payment of fees.

Thirty (30) days before First submittal, applicant must provide the traffic study via CSS (see Transportation Department's requirements check list). The Transportation Department/Peer Reviewer will submit first round of comments 15 days prior to First submittal. Applicant must address comments and submit revised traffic study/plans for CSS First submittal deadline.

Incomplete, or submittals found to be insufficient will not be placed on a Board agenda.
