

A photograph of a large, gnarled, reddish-brown tree trunk with many branches, surrounded by dense green foliage and ferns. The tree trunk is the central focus, showing a rough, textured bark. The surrounding vegetation is lush and green, with various types of leaves and ferns visible. The background is slightly blurred, emphasizing the tree trunk.

A large, spreading tree with dense green foliage and numerous small, bright pink flowers, likely a flowering dogwood, in a garden setting. The tree has a thick, gnarled trunk and branches that spread out horizontally, creating a wide canopy. The ground around the tree is covered with green grass and some low-lying plants. In the background, there are other trees and a brick wall.

A large, mature mangrove tree with a complex, buttressed root system, standing in a wetland area. The tree's trunk is thick and gnarled, with numerous roots extending outwards and upwards, creating a dense, intricate network. The leaves are dark green and glossy, contrasting with the lighter, weathered bark. The background shows a body of water and a distant shoreline with more vegetation.

A large, gnarled tree with a thick trunk and dense green foliage, surrounded by other tropical plants like palm trees and agave.

A large, mature palm tree with a thick, textured trunk and a dense canopy of green fronds, standing in a landscaped garden area with other plants and a lawn.

A photograph of a large, fan-shaped palm tree (Livistona rotundifolia) in a tropical garden setting. The tree has several large, deeply lobed fronds that are a vibrant green color. In the foreground, there is a large, light-colored rock on the right and a smaller, reddish-brown plant with thick, fleshy leaves on the left. The background shows more tropical vegetation and a clear sky.

A large, mature agave plant with a thick, textured trunk and a dense crown of long, pointed leaves, growing in a garden setting.

A large, mature tree with a thick, gnarled trunk and dense green foliage, standing in a garden setting. The tree has many branches and is surrounded by other greenery and a brick wall in the background.

A photograph of a coastal landscape. In the foreground, there is a large, dark, gnarled tree with dense green foliage. Behind the tree, a wooden fence runs across the middle ground. In the background, the ocean is visible under a clear blue sky. The overall scene is bright and sunny.

A photograph of a garden path. In the foreground, there are tall, thin-stemmed plants with yellow flowers. A light-colored stone path leads from the bottom center towards the background. To the left of the path, there is a large, dark, sculptural plant. In the background, there are several palm trees and a body of water. The overall scene is a lush, tropical garden.
