The City Commission may amend proposed assessments at the Public Hearing. The assessments will be collected by the Miami-Dade County Tax Collector on the 2021 Combined Property Tax Bill to be distributed in November 2021. Failure to pay the non-ad valorem assessments will cause a tax certificate to be issued against the property, which may result in loss of title. Owners of property subject to assessment have the right to appear at the Public Hearing and file written objections with the City within twenty (20) days of this Notice by addressing such filings to the City Commission, c/o the City Clerk, 1700 Convention Center Drive, 1st Floor, Miami Beach, Florida 33139.

The District is bounded on the North, East, and West by Indian Creek, and on the South by West 63rd Street, and is shown on the map set forth herein. The purpose of the assessment is to fund the continued operation and maintenance of security guard services in the District, including but not limited to the making of infrastructure and security improvements.

The assessment for each parcel of property in the District will be based upon the total number of residential units attributed to that parcel. Multi-family parcels will be assigned two residential units per parcel, single-family parcels will be assigned one residential unit per parcel, and vacant lots will be assigned one-half of a unit for each lot. The annual assessment will include each tax parcel/lot's share of the security services costs, plus administrative and collection fees. The estimated annual assessment revenue is \$216,000.00. The total number of units to be assessed is 47. The annual assessment is estimated to be \$4,595.74 per residential unit and \$2,297.87 per vacant residential unit.
