Subject: REJECT Miami Beach Tower behind the Ritz/Sagamore Hotels

Dear Miami Beach Historic Preservation Board Members,

my husband and I have been residents of Miami Beach for 36 years (myself) and 13 years (my husband). As such we are extremely concerned about a proposed project for 16th St and Collins Ave that would allow a massive 200 feet tower to be developed.

As the critical vote is next Monday, december 13th, we are writing to you to ask you that you REJECT the application for the tower and preserve and protect the unique character of our beloved city. It is totally out of place and out of scale in every way.

Thank you.

Sincerely,

Gabriele Greiner
