Good afternoon,

Andrew Wharton provided the below to Avi Yesawich, the General Manager of the goodtime hotel, to read into the record at the HPB meeting tomorrow. Mr. Wharton lives at the Villas at South Beach Condominium Association at 635 Euclid Avenue. He indicates in the statement that it is also on behalf of Jeanne Carpenter, President of the Condo Association. Please include this public comment as part of the record. Thanks.

Good day members of the planning board!

On behalf of the unit owners and the board of the villas at south beach condominium association at 635 Euclid Ave, I am writing to commend the management team at the Goodtime Hotel for the efforts taken thus far to address our complaints about the noise coming from their pool deck.

The GTH team, especially GM Avi Yesawich, has proactively communicated with us as they have taken their initial steps to mitigate the sound generated. They have acted in good faith and carried through on their promises to lower the noise. We appreciate their efforts and support their planned erection of a "sound wall" to further reduce and virtually eliminate the sound coming from their events on the pool deck.

I, along with Jeanne Carpenter, President of the association, were among the toughest vocal critics of goodtime during the planning board meetings held to modify and / or revoke the entertainment portion of their CUP clause. We now believe this is no longer necessary based on the efforts the property has, and is, taking, including the building of the sound wall.

We are available to discuss the matter at your convenience and apologize we could not appear in person due to previously scheduled work commitments. Sincerely, Andrew Wharton, Treasurer, Villas at South Beach Condominium Association, Inc.
