Dear Members of the Design Board,

My name is Star Gutman and I live at 2131 Bay Avenue which is directly across the street from the above house on Sunset Island 4. My house was built in 1938 and I have lived on the island for over 30 years. I believe that everyone has the right to build the style of house they want. I am sure the house being built will be beautiful. I do believe we should protect and maintain our construction limits. I am opposing the 2 requested waivers on the above property.

Thank you.

Star Gutman
