Re: Model Volleyball 2022

To Commissioner Arriola and Commissioner Board,

Model Volleyball would so appreciate your support, as well as the Office of the Mayor and Commission, in a city fee admin waiver for the 2022 version of Model Volleyball.

The annual Model Volleyball Tournament takes place during Miami Beach's peak season, over the weekend of March 12-13, 2022. With the event on 8th street beachfront, it will provide the 15,000+ attendees, both tourists and locals, with excitement, open cultural experiences, while simultaneously accentuating the beautiful and renowned legendary event space.

The event garners over 160 million impressions per event in Miami Beach alone.

The tournament celebrates Miami Beach's passion for giving back to the community and supports local charity AWOM (Angel Watching Over Me), which continues to create and build a safe space for young middle school girls in public schools, taking their current AWOM Girls Club curriculum and expanding nationwide. AWOM aims to launch AWOM Boys Club and continue to launch and grow their support groups for those who have lost a loved one across the nation. AWOM Relief supports others in the face of a national disaster or hardship and the goal is to continue to increase the lives we change.

With funds raised in the past, Model Volleyball was able to build the first Women's Cancer unit in Haiti together with the local model agency winning team by our side.

For the past 10 years, Model Volleyball has used only local Miami production vendors & business's alike making sure to giving back to the growth of the city.

Model Volleyball will provide a free and open to the public event in Miami Beach, and we hope you will consider supporting this highly valuable event as it brings our Miami community, business and tourism to the next level every year.

Sincerely,

Joshua Blaize
