"THIS CASE WAS DEFERRED BY THE APPLICANT FROM THE MEETING OF AUGUST 19, 1988."

APPLICANT REQUESTS THE FOLLOWING VARIANCE IN ORDER TO OPERATE A RESTAURANT WITH INDOOR/OUTDOOR TABLE SERVICE:

1. Applicant wishes to waive 7 of the required 8 off-street parking spaces in order to operate a restaurant with a total of 30 seats (15 indoor and 15 outdoor).

APPROVED with the following conditions, as agreed to by the applicant:

1. The applicant and his successors shall contribute an amount of money equivalent to the purchase of three and one-half parking decals (cash in lieu of parking decal program) on an annual basis. The first payment shall be received by the City prior to the issuance of a building permit and subsequent payment shall be received annually on the anniversary date that the Certificate of Occupancy for the restaurant was issued. Funds generated through the receipt of the cash-in-lieu of parking decal program shall be placed in a City account entitled, "Lower Collins Avenue Improvement Program", which is dedicated towards the construction of improvements in the vicinity of the site and which are consistent with the Department's neighborhood plan for this area;
2. The project shall reflect the improvements shown on the plans. The awning shall be canvas and the sign limited to 20 square feet; however, it shall not be box or panel type sign;
3. The applicant shall submit plans to the Department which indicate all the exterior improvements. A building permit shall not be issued until the Department approves the improvements to the exterior of the building and an Occupational License shall not be issued until the Department approves the installed materials; and,
4. The applicant shall provide proper grease interceptor and garbage facilities.
