Written warning Notice.

Arrival Time: 5:44 PM

Departure Time: 7:55 PM

I received a call from dispatch in reference to loud music coming from 1100 West Ave with a complainant that lives at 1200 West Ave #805. Upon my arrival I met with the front desk at 1200 West Ave and they called the complainant Yana at unit #805 and she allowed me to survey for loud music from her point of view. At her unit #805 I surveyed for loud music with all the windows and doors closed. We started in the living space and the music heard was low. We continued into the bedroom and the music heard was louder with the windows and doors closed. I could plainly hear dance music emanating from the neighboring property 1100 West Ave. I then returned to the lobby and surveyed again from the pool deck. The same music being played from 1100 West Ave was also heard at the pool deck of 1200 West Ave. I then proceeded to 1100 West Ave and met with Ronald the manager on duty. I explained why I was there and he immediately turned the music off. By violating the noise ordinance an accompanying violation of the Conditional Use Permit has also been issued. CUP2022-00048 A written warning was issued and both violations have been hand delivered to Stacy Lyn Sue the manager on duty NC2022-22922.

In addition to the afore mentioned violations, there have been 45 noise complaints since the last progress report on July 23, 2019.

STAFF ANALYSIS

The subject hotel is situated on West Avenue, which is primarily a high density residential area of the City. The subject building was converted into a condominium hotel in the early 2000's and is located between two high-rise residential buildings. While hotel uses and the customary accessory uses associated with hotels were allowed in the RM-3 zoning district at the time, today new hotels are not permitted in the West Avenue corridor.

Due to the overall size of the venues and the outdoor areas on the site, a CUP was required. The conditions of the CUP are structured to promote the peaceful co-existence of the hotel's accessory uses and the nearby residential uses.

The reason the applicant is required to appear before the board is because noise violations have been issued and a special event was conducted without a special event permit. In addition to the violations mentioned above, there were several complaints made by residents since the last progress report, though they did not result in violations. This pattern of non-compliance is of great concern to staff as it negatively impacts the quality of life of nearby residents. The following conditions of approval contained in the approved CUP are applicable regarding the above noted violations

Below are the conditions of the CUP that are related to the warnings, violations and open offenses:

1. The Planning Board shall maintain jurisdiction of this Conditional Use Permit. The Board reserves the right to modify the Conditional Use approval at the time of a progress report

- in a non-substantive manner, to impose additional conditions to address possible problems and to determine the timing and need for future progress reports. This Conditional Use is also subject to modification or revocation under City Code Sec. 118-194 (c).
3. The conditions of approval for this Conditional Use Permit are binding on the applicant, the property owners, operators, and all successors in interest and assigns
 5. With respect to the operation of the property, 1100 West Investments, LLC and its affiliates, are in addition to the applicant, responsible for compliance with the conditions.
 7. (n.) Entertainment, as defined in Section 142-1361 of the Code of the City of Miami Beach, Florida, shall be prohibited on exterior portions of the property, except as may be permitted in a Special Event permit issued by the City.
 22. A violation of Chapter 46, Article IV, "Noise," of the Code of the City of Miami Beach, Florida (a/k/a "noise ordinance"), as may be amended from time to time, shall be deemed a violation of this Conditional Use Permit and subject to the remedies as described in section 118-194, Code of the City of Miami Beach, Florida.
 25. The establishment and operation of this Conditional Use shall comply with all the aforementioned conditions of approval; non-compliance shall constitute a violation of the Code of the City of Miami Beach, Florida, and shall be subject to enforcement procedures set forth in Section 114-7 of the Code and such enforcement procedures as are otherwise available. Any failure by the owner, applicant or operators to comply with the conditions of this Order shall also constitute a basis for consideration by the Planning Board for a revocation of this Conditional Use permit.

STAFF RECOMMENDATION

Staff recommends that the Planning Board discuss the progress report and continue this report for 30 to 60 days to monitor the operations.

Re: Cure Letter regarding Planning Board File No. PB0616-0034, a.k.a. PB File No. 1898 - 1100 West Avenue.

Dear Sir/Madam:

On October 28, 2008, a Conditional Use Permit (CUP) was issued to the subject property for a Neighborhood Impact Establishment, which was subsequently modified several times. On January 22, 2019, the Planning Board and the applicant agreed to an amendment to the CUP, allowing access to areas subject to the modified CUP for inspection by the city, as a result of a prior Cure Letter (see attached CUP).

It has come to the Planning Department's attention that violations have been issued by the Code Compliance Department regarding the operation of the venue. Specifically, noise violations have been issued and a special event was conducted without a special event permit. The following are a list of violations that are still pending as of the date of this letter:

- 3/5/2022 – **CC2021-10194** : City Code Violation

Status: On Appeal.

While at the property of 1100 West Avenue on a noise complaint, I also observed a DJ playing music by the pool area, I made contact with the General manager on duty Anamaria Tolci and asked to see their BTR, The BTR that the general manager provide did not have added a DJ to the BTR, I then proceeded by issuing a violation for conducting a special event without a permit, DJ was turned off and also informed the general manager that the DJ could not be used throughout the weekend as she mentioned they had famous DJ's playing all weekend, Notice of Violation Issued and signed by the general manager AnaMarai Tolci.

Any failure by the owner, applicant or operators to comply with the conditions of this Order shall also constitute a basis for consideration by the Planning Board for a revocation of this Conditional Use permit.

In light of the inconsistencies with the aforementioned conditions of approval contained in the CUP, the repeated and intermittent noncompliance with the conditions of this CUP, and the pending code violations, **you are requested to appear at the April 26, 2022 Planning Board hearing** for a verbal progress report. Please be advised that at the time of the progress report, in accordance with the provisions of City Code Section 118-194(3), the Planning Board may consider setting a public hearing for the purpose of examining the noncompliance issues and initiate modification/revocation proceedings.

Should the Planning Board consider setting a public hearing for the purpose of examining the noncompliance issues noted herein, and initiate modification/revocation proceedings, this matter may be placed on the April 26, 2022 agenda meeting of the Board as a modification/revocation hearing. If a future public hearing is set, the board may consider the issue of noncompliance and the possible modification or revocation of the approval.
