City of Miami Beach Grant Committee
1700 Convention Center Drive
Miami Beach, FL 33139

Dear Grant Committee:

Florida International University athletics will be proposing an operating budget of \$36,050 for the 2023 FY that we are presently working on for the University athletic department budget. This budget covers the expenses associated with equipment rentals, cleaning services, court set up and manicuring services, and game officials hotels and their respective match fees.

This grant would help us cover the \$16,000 of City services and fees that are anticipated. (\$5000 deposit fee would be refunded). We would be hard pressed to hold this event on Miami Beach without the awarding of this grant.

Sincerely,

Dave Scott

Dave Scott
Assistant Athletic Director Game Management and Operations
