

Reform of Automatic Stay Provisions

ORDINANCE NO. _____

AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING THE CODE OF THE CITY OF MIAMI BEACH BY AMENDING CHAPTER 118 OF THE LAND DEVELOPMENT REGULATIONS, ENTITLED "ADMINISTRATION AND REVIEW PROCEDURES," BY AMENDING ARTICLE I, ENTITLED "IN GENERAL," BY AMENDING SECTION 118-9, ENTITLED "REHEARING AND APPEAL PROCEDURES," TO AMEND THE CITY'S RULES OF PROCEDURE REGARDING REHEARINGS AND APPEALS OF LAND USE BOARD DECISIONS, INCLUDING PROVISIONS GOVERNING THE AUTOMATIC STAY PENDING APPEAL; AND PROVIDING FOR CODIFICATION, REPEALER, SEVERABILITY, AND AN EFFECTIVE DATE.

WHEREAS, the Land Development Regulations authorize the Design Review Board (DRB) to grant design review approval, and the Historic Preservation Board (HPB) to grant certificates of appropriateness; and

WHEREAS, quasi-judicial hearings on individual DRB and HPB applications require public notice to neighboring property owners; and

WHEREAS, the City's Land Development Regulations, at Chapter 118, Article IV, establish rules of procedure for rehearings and appeals of decisions of the DRB and HPB; and

WHEREAS, pursuant to City Code Section 118-9(c)(5), "[a]n appeal of a board order stays all work on the premises and all proceedings in furtherance of the action appealed from," unless one of two exceptions applies; and

WHEREAS, accordingly, the Land Development Regulations do not permit the issuance of a building permit, certificate of occupancy, or a business tax receipt during the pendency of an appeal; and

WHEREAS, certain appeals can delay the development of a project that has obtained board approval and that otherwise complies with the Code, potentially rendering the project financially impracticable; and

WHEREAS, the Mayor and City Commission now desire to amend the City's rules of appellate procedure, to promote efficiency, safeguard procedural due process, and guard against abuse; and

WHEREAS, the amendments in this Ordinance shall apply retroactively to pending appeals and prospectively to future appeals; and

WHEREAS, these amendments do not affect the right of an appellant with a meritorious claim to seek an injunction, stay, or other relief from a court of competent jurisdiction, as may be permitted by Florida law; and

WHEREAS, the amendments set forth below are necessary to accomplish all of the above objectives.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA:

SECTION 1. Chapter 118 is hereby amended as follows:

**CHAPTER 118
ADMINISTRATION AND REVIEW PROCEDURES**

ARTICLE I. IN GENERAL

* * *

Sec. 118-9. Rehearing and appeal procedures.

The following requirements shall apply to all rehearings and appeals to or from the city's land use boards unless otherwise more specifically provided for in these land development regulations, and applicable fees and costs shall be paid to the city as required under section 118-7 and appendix A to the City Code. As used herein, "land use board(s)" shall mean the board of adjustment, design review board, historic preservation board and planning board.

* * *

(c) *Appeals of land use board ~~applications~~ decisions.*

* * *

- (3) Eligible appeals of the design review board or historic preservation board shall be filed in accordance with the process as outlined in subsections A through ~~D~~ E below:

* * *

E. *Deadlines.* Oral argument for a design review board or historic preservation board appeal shall take place within 90 days of the date the appeal is filed, unless a lack of quorum of the City Commission, or the availability of the special magistrate, requires the oral argument to be continued to a later date.

(i) *Answer brief.* The respondent may serve an answer brief within 30 days of the City's written acceptance of the petition.

(ii) *Reply brief.* The petitioner may serve a reply brief within 15 days of the filing of the answer brief.

(iii) *Oral argument.* Oral argument shall occur within 90 days of the City's acceptance of the petition, except that oral argument may be continued to a future date due to lack of quorum of the City Commission or the unavailability of the special magistrate.

(iv) *Decision.* A decision of the City Commission or special magistrate shall be rendered within 120 days of the date the appeal is filed.

These deadlines may be modified by consent of the parties to the appeal.

* * *

(5) *Stay of work and proceedings on appeal.* An appeal of a land use board order stays all work on the premises and all proceedings in furtherance of the action appealed from, unless one of the exceptions below applies:

(i) *Imminent peril to life or property.* A stay would cause imminent peril to life or property. In such a case, proceedings or work shall not be stayed except by a restraining order, which may be granted by the board or by a court of competent jurisdiction, upon application for good cause shown;

(ii) *Specified appeals from the Planning Board.* As applicable only to an appeal arising from the planning board's approval of a conditional use permit, the city may accept, for review purposes only, a building permit application during a pending appeal in circuit court. The applicant shall be required to pay all building permit fees, which fees shall be nonrefundable. Despite the foregoing, no building permit shall issue while the circuit court appeal is pending. Should the decision on the circuit court appeal (petition for certiorari) decision be rendered in favor of the conditional use permit applicant, the applicant may proceed with construction and operations, excluding entertainment operations, pending any further appeals to the Third District Court of Appeal or other appellate proceedings, so long as the following conditions are met:

- a. The building permit may issue and shall remain active until the final resolution of all administrative and court proceedings;
- b. No final certificate of occupancy (CO) or certificate of completion (CC) shall be issued, and no entertainment operations or entertainment business shall commence or take place, until the final resolution of all administrative and court proceedings;
- c. The conditional use permit was appealed by a party other than (i) the city, or (ii) an applicant appealing a denial of a conditional use permit application;
- d. The property subject to the conditional use permit is located within (i) a commercial district, and (ii) a historic district;
- e. The scope of the conditional use permit is limited to modifications to an existing structure;
- f. The applicant shall prior to the issuance of the building permit, either: (i) place funds in escrow, or (ii) obtain a bond, either of which

must be in an amount that is at least equal to or greater than 100 percent of the value of the work proposed under the building permit;

- g. The applicant is not seeking the demolition of any portion of a contributing structure; and
- h. In the event that the conditional use permit is reversed on appeal, the applicant must immediately amend or abandon the building permit or building permit application without any liability to the city, and a CC or CO shall not be issued. Additionally, no BTR for entertainment shall issue.

In order for a building permit to issue pursuant to this subsection (c)(5)(ii), pending any further appeals to the Third District Court of Appeal or other appellate proceedings, the applicant shall be required to comply with all of the conditions in subsections (c)(5)(ii) a. through h., as well as all conditions of the conditional use permit. The applicant shall also be required to execute a written agreement (in a form acceptable to the city attorney) holding the city harmless and indemnifying the city from any liability or loss resulting from the underlying appellate or administrative proceedings, any civil actions relating to the application of this subsection (c)(5)(ii), and any proceedings resulting from the issuance of a building permit, and the non-issuance of a TCO, TCC, CC, CO or BTR for the property. Such written agreement shall also bind the applicant to all requirements of the conditional use permit, including all enforcement, modification, and revocation provisions; except that the applicant shall be ineligible to apply for any modifications to the conditional use permit or any other land use board order impacting the property, until the final resolution of all administrative and court proceedings as certified by the city attorney. Additionally, the applicant must agree that in the event that the conditional use permit is reversed, the applicant shall be required to restore the property to its original condition. The city may utilize the bond to ensure compliance with the foregoing provisions.

(iii) *Other appeals from land use board decisions.* Except for appeals arising from the planning board's approval of a conditional use permit, which are governed by subsection (ii) above, the appeal of any land use board order for a property located outside the RS-1, RS-2, RS-3, or RS-4 single-family zoning districts, if timely and properly filed subject to the requirements of this section or the Florida Rules of Appellate Procedure (as applicable), shall stay all work on the premises and all proceedings in furtherance of the action appealed from for a period of 120 days from the date the appeal is filed or until such time as the appeal is ruled on by the body or court with jurisdiction at the first level of appeal (whether the special magistrate, for appeals from the historic preservation board; the city commission, for appeals from the design review board; or the circuit court, for appeals of decisions on variances and appeals from other land use boards), whichever occurs first. The provisions of this paragraph shall not be applicable to appeals filed by the city manager or the applicant for the land use board approval.

All ordinances or parts of ordinances and all section and parts of sections in conflict herewith are hereby repealed.

SECTION 3. CODIFICATION.
