Debbie:

I understand that the application to renovate 1735 Lenox is scheduled to be heard before the HPB on July 12th. In connection with this application, and because it is close to my home, I have reviewed the proposed plans and what is desired to be done by the owners. As a resident of Palm View I am very supportive of this application and I am happy to have my support communicated to the members of the HPB.

Thank you and I hope you had a great holiday weekend.

Sincerely:

Paul Freeman  
1776 Michigan Avenue.
