PROPERTY: The Development Site consists of:

City-Owned Surface Parking Lot P27	02-3234-007-0560 02-3234-007-0640 02-3234-007-0660 02-3234-007-0570 02-3234-007-0650 02-3234-007-0670 02-3234-007-0630
---------------------------------------	--

ZONING DISTRICT: The Development Site is located within the GU zoning district. The development regulations in the GU district are the average of the requirements contained in the surrounding zoning districts. The Development Site is surrounded by property zoned CD-3, Commercial High Intensity, and as a result, is subject to the development regulations of the CD-3, Commercial High Intensity zoning district. The maximum F.A.R. for mixed-use developments in the CD-3 district is 2.75.

MAXIMUM HEIGHT: On June 22, 2022, the City Commission adopted on second reading an increase in height, from 85 feet to a maximum of 100 feet in height, to accommodate private uses that incorporate public parking spaces within the structure that are owned by the City and/or operated by the City in the area bounded by 17th Street on the north, Lincoln Lane on the south, Alton Road on the west, and Washington Avenue on the east. Architectural projections will comply with applicable provisions of the City's Land Development Regulations.

PERMITTED USES: The current main permitted uses in the City's GU zoning District are government buildings and uses, including but not limited to parking lots and garages; parks and associated parking; schools; performing arts and cultural facilities; monuments and memorials. The proposed Development Agreement contemplates that the City Commission will approve a mixed-use development consisting of (1) Class A office space, (2) ground floor retail, (3) residential rental apartments, (4) public parking to replace the existing public parking spaces on the properties, and (5) additional parking to satisfy off-street parking requirements for the office and residential uses.

The City's 2040 Comprehensive Plan provides that population densities for Public Facilities: Governmental Use (PF) future land use category is equivalent to the average of surrounding districts. The Development Site is surrounded by the High Intensity Commercial (CD-3) category, which allows for 150 units per acre. Therefore, the maximum density permitted on the Development Site is 150 units per acre.

A copy of the proposed Development Agreement is available for public inspection during normal business hours in the Office of the City Clerk, 1700 Convention Center Drive, 1st Floor, City Hall, Miami Beach, Florida 33139.
