SUPPLEMENTAL ORDER

The City of Miami Beach Design Review Board makes the following FINDINGS OF FACT, based upon the evidence, information, testimony and materials presented at the public hearing and which are part of the record for this matter:

I. Design Review

- A. The Board has jurisdiction pursuant to Section 118-252(a) of the Miami Beach Code. The property is not located within a designated local historic district and is not an individually designated historic site.
- B. Based on the plans and documents submitted with the application, testimony and information provided by the applicant, and the reasons set forth in the Planning Department Staff Report, the project as submitted is consistent with Design Review Criteria in Section 118-251 of the Miami Beach Code.
- C. Based on the plans and documents submitted with the application, testimony and information provided by the applicant, and the reasons set forth in the Planning Department Staff Report, the project as submitted is not subject to the Sea Level Rise Criteria in Section 133-50(a) of the Miami Beach Code.
- D. The project would remain consistent with the criteria and requirements of Section 118-251 and/ or Section 133-50(a) if the following conditions are met:
 1. Revised elevation, site plan, and floor plan drawings for 1420 Bay Road and 1508 Bay Road shall be submitted, at a minimum, such drawings shall incorporate the following:

- a. The final outdoor seating plan shall be submitted to Planning staff for review in order to ensure that the final plan for the outdoor café seating provides adequate circulation for non-patrons/residents, in a manner to be reviewed and approved by staff consistent with the Design Review Criteria and/or the directions from the Board.
2. All of the original conditions of approval by this Board, as reflected in the Final Order dated November 07, 2017 pursuant to DRB File No. DRB17-0160, and dated March 06, 2018 pursuant to DRB File No. DRB17-0216, shall remain in effect except as modified herein:

~~Condition I.D.3.a.ii. Outdoor seating shall be limited to 40 seats and the total restaurant seating shall be limited to 120 seats.~~

Condition I.D.3.a.ii. Combined total of any restaurant and café seating shall be limited to 215 seats, with combined total of outdoor seating for any individual restaurant or café limited to 60 seats.

3. The proposed exterior design changes and site plan modifications shall be approved as proposed.
4. The proposed phasing schedule shall be approved as proposed. The description and approximate schedule for each phase is as follows:

Phase I - Pedestrian Plaza, North and south drop off, and ground and 3rd level Central Tower renovation.

Phase I – shall consist of all proposed development along Bay Road, including the pedestrian plaza, the north and south drop off, and the ground and 3rd level Central Tower renovation, as defined and depicted on the submitted plans. A building permit for the Phase I improvements shall be issued within eighteen (18) months of the Board's original approval.

Phase II Permit Set – North Garage & Courtyard

Phase II – shall consist of all proposed development within the courtyard located at the center of the property and all improvements to the north garage, as defined and depicted on the submitted plans. A building permit for the Phase II improvements shall be issued within six (6) months following the issuance of the Phase I building permit.

Phase III Permit Set - North Pool

Phase III – shall consist of all proposed development along the northwestern portion of the property, including the north pool, except that it will exclude the North Tower, as further defined and depicted on the submitted plans. A building permit for the Phase III improvements shall be issued within twelve (12) months following the issuance of the Phase II building permit.

Phase IV Permit Set - North Tower

Phase IV – shall consist of all proposed development to the North Tower as further defined and depicted on the submitted plans. A building permit for the

Phase IV improvements shall be issued within twelve (12) months following the issuance of the Phase III building permit.

Phase V Permit Set – Garden Apartments

Phase V – shall consist of all proposed development to the new garden apartments and other alterations as further defined and depicted on the submitted plans. A building permit for the Phase V improvements shall be issued within 18 months of the issuance of the CO for Phase IV for North Tower permit.

In accordance with Section 118-262, the applicant, or the city manager on behalf of the city administration, or an affected person, Miami Design Preservation League or Dade Heritage Trust may seek review of any order of the Design Review Board by the city commission, except that orders granting or denying a request for rehearing shall not be reviewed by the commission.

II. Variance(s)

A. No variance(s) were filed as part of this application.

III. General Terms and Conditions applying to both 'I. Design Review Approval and 'II. Variances' noted above.

- A. In the event that the proposed site plan for any reason fails to sufficiently resolve traffic congestion and vehicle queuing onto Bay Road, the applicant shall return to the Design Review Board with an alternate vehicular circulation plan, which may include substantial changes to the herein approved site plan. The City Parking Department may report back periodically to the Planning Department any right-of-way or compliance issues with regard to the conditions of this Final Order.
- B. In the event that the provided short term parking overflows onto the public right-of-way, thus impeding vehicular circulation or pedestrian circulation, the applicant shall perform additional parking analysis and provide the appropriate short term parking capacity within private property and shall return to the Design Review Board with a revised plan. The City Parking Department may report back periodically to the Planning Department any right-of-way or compliance issues with conditions of this Final Order.
- C. The applicant shall comply with the electric vehicle parking requirements, pursuant to Sec. 130-39 of the City Code.
- D. The Applicant shall submit a Hold Harmless Covenant Running with the Land to the City Attorney's Office in a form acceptable to the City Attorney indemnifying and holding harmless the city against any claim or loss in the event of an accident involving a motor vehicle or other instrumentality due to the proximity of the driveway to the adjacent neighboring properties.
- E. The Applicant shall submit a restrictive covenant, running with the land, to the Department, approved as to form by the City Attorney, that the property owner has entered into agreement with the ride-sharing companies verifying that the pickup / drop-off locations have been coordinated with the property and coded into the downloadable app.

- F. Failure to comply with the conditions of this Order, or should vehicles queue onto Bay Road or West Avenue, the applicant shall be subject to the continuing jurisdiction and review of the Board, and further conditions may be placed on the property. The Board shall retain the right to call the applicant/owner or operator back before them and make modifications to this Order should there be valid complaints relating to violations of the conditions of this Order.
- G. A Construction Parking and Traffic Management Plan (CPTMP) shall be approved by the Parking Director pursuant to Chapter 106, Article II, Division 3 of the City Code, prior to the issuance of a Building Permit.
- H. The final building plans shall meet all other requirements of the Land Development Regulations of the City Code.
- I. The Final Order shall be recorded in the Public Records of Miami-Dade County, prior to the issuance of a Building Permit.
- J. Satisfaction of all conditions is required for the Planning Department to give its approval on a Certificate of Occupancy; a Temporary Certificate of Occupancy or Partial Certificate of Occupancy may also be conditionally granted Planning Departmental approval.
- K. The Final Order is not severable, and if any provision or condition hereof is held void or unconstitutional in a final decision by a court of competent jurisdiction, the order shall be returned to the Board for reconsideration as to whether the order meets the criteria for approval absent the stricken provision or condition, and/or it is appropriate to modify the remaining conditions or impose new conditions.
- L. The conditions of approval herein are binding on the applicant, the property's owners, operators, and all successors in interest and assigns.
- M. Nothing in this order authorizes a violation of the City Code or other applicable law, nor allows a relaxation of any requirement or standard set forth in the City Code.

IT IS HEREBY ORDERED, based upon the foregoing findings of fact, the evidence, information testimony and materials presented at the public hearing, which are part of the record for this matter, and the staff report and analysis, which are adopted herein, including the staff recommendations, which were amended and adopted by the Board, that the **application** is GRANTED for the above-referenced project subject to those certain conditions specified in Paragraph I, II, III of the Finding of Fact, to which the applicant has agreed.

PROVIDED, the applicant shall build substantially in accordance with the revised plans entitled "DRB20-0577 FLAMINGO 1420 Bay Road", by **Stantec Architecture Inc.**, dated, signed, and sealed 10/12/20 and as approved by the Design Review Board, as determined by staff.

When requesting a building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions of approval that must be satisfied prior to permit issuance, as set forth in this Order,

have been met.

The issuance of the approval does not relieve the applicant from obtaining all other required Municipal, County and/or State reviews and permits, including final zoning approval. If adequate handicapped access is not provided on the Board approved plans, this approval does not mean that such handicapped access is not required. When requesting Building permit, the plans submitted to the Building Department for permit shall be consistent with the plans approved by the Board, modified in accordance with the conditions set forth in this Order.

If the Full Building Permit for Phase I of the project is not issued within eighteen (18) months of the meeting date at which the original approval was granted, and/or if phased building permits are not issued pursuant to the schedule in Section I.D.2 of this Order, the application will expire and become null and void, unless the applicant makes an application to the Board for an extension of time, in accordance with the requirements and procedures of Chapter 118 of the City Code, the granting of any such extension of time shall be at the discretion of the Board. If the Full Building Permit for the project shall expire for any reason (including but not limited to construction not commencing and continuing, with required inspections, in accordance with the applicable Building Code), the application will expire and become null and void.

In accordance with Chapter 118 of the City Code, the violation of any conditions and safeguards that are a part of this Order shall be deemed a violation of the land development regulations of the City Code. Failure to comply with this Order shall subject the application to Chapter 118 of the City Code, for revocation or modification of the application.

Dated this 15th day of November, 2020.
