

MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Steven Meiner
DATE: June 22, 2022

SUBJECT: REFERRAL TO THE LAND USE AND SUSTAINABILITY COMMITTEE TO CONSIDER THE PROPOSED CREATION OF AN INTERACTIVE MAP OF PRIVATE/COMMERCIAL PLANNED DEVELOPMENTS IN THE CITY, AS A TOOL TO PROVIDE RESIDENTS WITH INFORMATION CONCERNING PROPOSED PROJECTS AND A MEANINGFUL OPPORTUNITY TO REVIEW AND COMMENT ON PROPOSED PLANS.

ANALYSIS

Please place on the June 22, 2022 City Commission agenda a referral to the Land Use and Sustainability Committee to consider the proposed creation of an interactive map of private/commercial planned developments on the City's website.

Community organizations such as Miami Beach United have requested that the City consider implementing an interactive map of planned projects, as a tool for furthering the objectives of the Residents Right to Know Ordinance and providing information to residents concerning proposed projects, as well as a meaningful opportunity for review and comment on proposed plans.

As part of this referral, I would request that the Administration address any software and/or resource efforts it would require to implement this initiative.
