The Adventures of Bibi & Friends

Since 1999

The Adventures of Bibi & Friends has been the most unique advertising for the City of Miami Beach for the past 23 years. Since 1999, The Adventures of Bibi & Friends has produced a publication series that presents the best of the beach in a fun fresh way which incorporates the citizens of this city, including the 2015 Centennial edition produced for the City of Miami Beach. The books were originally incorporated into the marketing packages sent by the City of Miami Beach around the globe and have produced such results, the books were celebrated at the History Miami Museum for a 4-month exhibition in 2021.

The Adventures of Bibi & Friends has been supported by every Mayor since Neisen Kasdin in 1999. Much has changed in the City of Miami Beach, but it is still one of the world's favorite travel destinations. The need exists to get our messaging out in a fun way that reaches all audiences.

History

The Bibi character in the books has always been an influencer in Miami Beach and the books are currently appearing in the "Take Care of Our City" campaign!
