Dear Dr. Dotres and Principal Fishman:
I am a City Commissioner of the City of Miami Beach, and I am writing to you in response to concerns raised by Miami Beach residents whose children attend North Beach Elementary School, located at 4100 Prairie Avenue ("North Beach Elementary"). The residents have previously requested information concerning the condition and structural soundness of North Beach Elementary, and I have been advised that the School Board has not responded to their requests for information.
Pursuant to the Florida Public Records Act, as set forth in Chapter 119 of the Florida Statutes and Article I, Section 24(a) of the Florida Constitution, I am requesting that all of the following records, from June 1, 2021 through the present, relating to North Beach Elementary, be e-mailed to me:
All records, reports, and inspections, including but not limited to, engineering reports/assessments and structural reports/assessments, relating to the condition of any portion(s) of any structure(s) located at North Beach Elementary.
If you refuse to provide these records (or any portion thereof), Florida law requires that you advise me in writing and specifically identify the applicable confidentiality and/or exemption upon which you are relying. Also, please state with particularity the reason(s) for such determination, as required by law. If the exemption or confidentiality provision you are claiming only applies to a portion of any responsive record(s), please delete that portion and provide the remainder of the record(s).

If you anticipate that in order to satisfy this request extensive use of information technology resources or extensive clerical or supervisory assistance will be required, please provide me with a written cost estimate and the justification for such anticipated cost.
Please promptly advise if you require any clarification pertaining to my request for public records as set forth herein. My telephone number is (305) 673-7000, ext. 26473.
Finally, please note that the actions and statements in this correspondence are my own and do not represent any official action or position of the City Commission of the City of Miami Beach as to any matters set forth herein.
Sincerely,

Commissioner Steven Meiner
Miami Beach Commissioner
