

# MIAMI BEACH

## COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission  
FROM: Commissioner Kristen Rosen Gonzalez  
DATE: October 26, 2022

SUBJECT: REFERRAL TO PUBLIC SAFETY NEIGHBORHOOD QUALITY OF LIFE COMMITTEE TO DISCUSS HOW CAN MIAMI BEACH KEEP THE WATERWAY CLEANER AT 2360 COLLINS AVENUE.

---

### **BACKGROUND/HISTORY**

Our office was sent the attached photo of this Collins Avenue canal, full of collected debris, both organic and inorganic. We would like to consider added cleaning crews and cleaning rotations for "hot spot" areas where debris gathers, like the canal in the attached picture.

We would also like to explore a pilot program with a self-cleaning device like "Mr. Trash Wheel" (<https://www.mrtrashwheel.com>). This canal is one of the first cityscapes that many residents staying in hotels on South Beach see, and the current state of affairs is unacceptable. Even the seawall looks awful!
