BOARD APPLICATION CHECK LIST

A Pre-Application meeting must be scheduled via CSS to obtain a plan case number and for board staff review of all submittals, and review by the Development Review Committee, as needed.

Pre-Application meetings for applications that do not require a traffic study are scheduled on a first come-first served basis and must occur no later that five(5) business days prior to CSS First submittal.

Applications requiring a traffic study must meet with Planning, Transportation, and peer reviewer sixty (60) days* prior to First submittal deadline to determine the methodology for the traffic impact study. This meeting is considered the "Pre-Application meeting" and must be scheduled via CSS to obtain a plan case number for review and payment of fees. Thirty (30) days before First submittal, applicant must provide the traffic study via CSS (see Transportation Department's requirements check list). The Transportation Department/Peer Reviewer will submit first round of comments 15 days prior to First submittal. Applicant must address comments and submit revised traffic study/plans for CSS First submittal deadline.

Incomplete, or submittals found to be insufficient will not be placed on a Board agenda.

	incomplete, or submittals found to be insufficient will not be placed on a Board agenda.				
	FIRST SUBMITTAL (VIA CSS) **, To be uploaded online (CSS) by the applicant before 5:00 pm by First submittal deadline. ALL PLANS MUST BE DIMENSIONED AND LEGIBLE. INCLUDE A GRAPHIC SCALE.	Required			
1	Application Fee and Peer review fees shall be paid after Pre-Application meeting and before the First submittal. It is the applicant's responsibility to make this payment, if an invoice is not generated by the CSS system, the applicant should contact staff prior to first submittal to be invoiced and make payment.				
2	Is the property the primary residence & homestead of the applicant/property owner? (If yes, provide office of the Property Appraiser Summary Report).				
3	Copy of signed and dated check list issued at Pre-Application meeting or Design Review Committee meeting.	X			
4	mpleted Board Application, Affidavits & Disclosures of Interest (original signatures).				
5	Signed and dated Letter of Intent. Letter must outline application details and identify hardships if Variances are requested. (see also Items # 44, 45 & 46).				
6	Mailing Labels: Upload property owner's list and copy of original certified letter from provider. See #52 for submittal of Hard copy / originals of these items.	х			
7	Copies of all current or previously active Business Tax Receipts if applicable.	X			
8	Copies of previous recorded final Orders if applicable.				
9	School Concurrency Application for projects with a net increase in residential units (no SFH). Provide Planning Department - Miami Dade - School Concurrency Application for Transmittal				
10	Survey: Electronic version of original signed & sealed, dated no more than six months from date of application. Survey must provide: lot area, grade per Section 114-1 of the City Code. (If no sidewalk exists, provide the elevation of the crown of the road) and spot elevations.	x			
11	Architectural Plans and Exhibits (must be 11"x 17")	х			
а	Cover Sheet with bullet point scope of work, clearly labeled "First Submittal" and dated with First Submittal deadline date.	x			
b	Copy of the original survey included in plan package. See No. 10 above for survey requirements	Х			
С	All Applicable Zoning Information (Use Planning Department zoning data sheet format).	Х			
d	Context Location Plan, Min 8.5"X11" Color Aerial 1/2 mile radius, identifying project and showing name of streets. (no Google images)	х			
е	Full legal description of the property if not included in survey (for lengthy legal descriptions, attach as a separate document - label clearly).	х			
f	Existing FAR Shaded Diagrams (Single Family Districts: Unit Size and Lot Coverage Shaded Diagrams), if applicable				
g	Proposed FAR Shaded Diagrams(Single Family Districts: Unit Size and Lot Coverage Shaded Diagrams), if applicable.				

^{* 30} day lead time from first submittal for projects requiring traffic studies is necessary to ensure completion of review and required corrections by Final submittal deadline. Applications cannot be scheduled without evaluated and corrected traffic studies.

ADDITIONAL INFORMATION AND ACKNOWLEDGEMENTS

- A. ** Other information/documentation required for First submittal will be identified during Pre-Application meeting and Development Review Committee Meeting but may be modified based on further analysis.
- B. It is the responsibility of the applicant to confirm that documents submitted via CSS, Paper Submittal sets (14 copies), and electronic version on CD are consistent with each other and legible.
- C. All PDF files must be named with the submittal deadline date and the type of document in the following format 'MM-DD-YYYY Document Name'.
- D. Plan revisions and supplemental documentation will not be accepted after the Final Submittal deadline
- E. All documents required for Board applications must be submitted in an electronic format (PDF) via CD in the manner prescribed herein. The CD is considered the "Formal Submission", and must include the electronic version of all hard copy documents associated with the application. A new Updated CD will be required if any modifications are made before or after hearing. Failure to comply with the aforementioned may result in a rehearing before the applicable board at the applicant's expense.
- F. Please note that the applicant will be required to submit revised plans pursuant to applicable Board Conditions no later than 60 days after Board Approval. (If applicable)
