**RE: 8 Century Lane – Design Review Board Application No. DRB22-0841**  
**10 Century Lane - Design Review Board Application No. DRB22-0847**  
**Letter of Support**

Dear Honorable Design Review Board Chair, Vice Chair, and Members:

Our names are Steve and Jessica Rhodes. We own the properties located at 8 Farrey Lane and 2 Farrey Lane, in Miami Beach, Florida. As nearby neighbors to the subject property, we are writing to express our support for Design Review Board Applications DRB22-0841 and DRB22-0847 for the construction of the proposed new homes at 8 Century Lane and 10 Century Lane. We understand the variances being requested and feel that they are appropriate to help the Saigers achieve the proposed tropical mid-century modern design for their homes. We are excited to welcome the new residences into the neighborhood. The approval of these applications will further beautify Belle Isle, enhance the waterfront, and increase property values in the area.

We hope you agree and urge you to vote in favor of both applications.

Sincerely,

---

Jessica and Steve Rhodes
