RE: **Letter of Support - DRB22-0898** – Proposed Residence at 8 Farrey Lane

Dear Board Members:

I am the owner of the property located at 657 Farrey Lane on the north side of Belle Isle. I have had the opportunity to discuss the proposed redevelopment of the property with the owner on numerous occasions. I have always been supportive of redevelopment of the bungalows on Farrey Lane and remain supportive today. Redeveloping the small lots along Farrey Lane is necessary to make a more resilient neighborhood and preserve our property values. The proposed design is beautiful and sensitive to my property and others around it, while also making efficient use of the limited space on the property. As a result, I fully **support** my neighbor's proposed redevelopment plan, including variance requests.

Sincerely,
