To the Miami Beach Board and Commissioners

OBJECTION TO

DRB22-0841, 8 Century Lane

DRB22-0847, 10 Century Lane

My name is Maria Ugarte.

I live at 9 Century Ln Miami Beach FL33139

I want to draw her attention to the design of 10, Century Ln and 8 Century Ln
They have not considered my house in their design; it is like an empty lot. They completely
ignored us. They put their design as if our house does not exist. I attach this image here. I have
lived here for more than 40 years on this street that has no exit. scared and very afraid

I oppose variations and construction

There is a violation on my property that the city has not sent to verify. Rachael leaves her car
parked in front of my door.

I beg you to help us, we are not going to put up with these 2 constructions, my sister always
goes to make her medical visits and when she is sick the ambulance comes, as long as
Construction will not be able to circulate either as a pedestrian or by car

Help please, they can't ignore my plea

Sincerely

Maria Ugarte
