Dear Mayor and Commissioners:

At a South of Fifth Neighborhood Association (SOFNA) public meeting held on March 24th, Commissioners Alex Fernandez and Steven Meiner separately presented their plans to address the threats to public safety and lawlessness that descends upon our city every year during Spring Break. Based on feedback from South of Fifth Residents, and a lengthy board discussion, we would like to go on record as fully supporting initiatives to announce curfews well in advance of the specific days when crowds historically have been too large for law enforcement to properly protect life and property. In addition, we think it is worthwhile to explore the idea of creating a ticketed event, with a secured perimeter, however, the SOFNA board would like to be included in the planning process for such an event to ensure that it would not result in the "party" spilling over to the South of Fifth neighborhood.

Sincerely,

SOFNA Board of Directors  
Alyson Herman -- President  
Keith Marks -- Vice President  
Jordan Levy -- Treasurer

Ronald Starkman -- Secretary  
John Caprio -- Director  
David Podein -- Director
