BACKGROUND

On May 11, 2016, the City Commission adopted Ordinance No. 2016-4014, which amended the hours of operation, as well as location and use restrictions for alcoholic beverage establishments located along the west side of Alton Road and east of Alton Court, from 6th Street to the Collins Canal, and along the east side of West Avenue, from Lincoln Road to 17th Street. This ordinance requires that alcoholic beverage establishments cease operations no later than 2:00 a.m. each night. The ordinance also established the following regulations on outdoor operations:

(2) Establishments with sidewalk cafe permits shall only serve alcoholic beverages at sidewalk cafes during hours when food is served in the restaurant, shall cease sidewalk cafe operations at 12:00 a.m., and shall not be permitted to have outdoor speakers.

(3) Commercial uses on rooftops shall be limited to restaurants only, shall cease operations no later than 11:00 p.m. on weekdays and 12:00 a.m. on weekends, and shall only be permitted to have ambient, background music.

The City Commission included an applicability clause in the ordinance, exempting any alcoholic beverage establishment with a valid business tax receipt (BTR) or land use board approval issued prior to May 21, 2016.

On November 2, 2021, pursuant to Resolution No. 2021-31824, the following ballot question was submitted to the City's voters:

Non-Binding, Straw Ballot Question: Citywide - Changing Alcoholic Beverage Establishments Sales/Consumption Termination Time

City law allows, subject to exceptions, the sale and consumption of alcoholic beverages at Alcoholic Beverage Establishments throughout the City, from 8:00 a.m. until 5:00 a.m. the following day.

Would you support changing this 5:00 a.m. termination time to 2:00 a.m. throughout the City, with specific locations and related restrictions and exceptions, to be determined by City Commission by Ordinance?

The ballot question was approved by 56.52% of the voters.

ANALYSIS

The City Code permits alcoholic beverage establishments within the CD-2 zoning district. Absent appropriate regulations, these uses could be incompatible with adjacent residential uses in the Flamingo Park and West Avenue neighborhoods. Such establishments include restaurants, stand-alone bars, outdoor food and beverage services, entertainment establishments, and dance halls, where alcoholic beverages are sold and consumed.

The sale and consumption of alcoholic beverages during the early morning hours, in particular in outdoor areas, can be disruptive to residents, as related impacts generate excessive noise, and result in increased calls for service to the Police and Fire Departments. These impacts particularly burden the residents of the West Avenue and Flamingo Park neighborhoods that are adjacent to such establishments.

Florida law grants municipalities broad authority to regulate the sale of alcoholic beverages. In the exercise of that authority, municipalities may prohibit the sale of alcohol within certain hours and/or within certain zoning districts. Specifically, Section 562.14, Florida Statutes, authorizes municipalities, by ordinance, to establish hours of sale for alcoholic beverages. Florida courts have consistently held that alcoholic beverage establishments are not entitled to "grandfather" status as to hours of sale for alcoholic beverages.¹ Accordingly, the City has the authority to adopt the proposed legislation.

West Avenue Neighborhood

The West Avenue neighborhood is composed primarily of multifamily residential buildings. The neighborhood is adjacent to the Alton Road Commercial corridor which consists of "CD-1 Commercial, Low Intensity" and "CD-2 Commercial, Medium Intensity" zoning districts. Within this neighborhood, residential uses are separated only by an alley from the commercial districts.

¹ See *Village of North Palm Beach v. S & H Foster's, Inc.* (Fla. 4th DCA 2012); *Other Place of Miami, Inc. v. City of Hialeah Gardens* (Fla. 3d DCA 1978).

On February 22, 2023, the City Commission adopted Ordinance No. 2023-4543, establishing a uniform 2:00 a.m. termination time for the sale and consumption of alcoholic beverages outdoors at alcoholic beverage establishments located between Biscayne Bay on the west, the eastern boundary line of properties fronting West Avenue on the east, the 5th Street right-of-way on the south, and the Lincoln Road right-of-way on the north. Currently, the sale and on-premises consumption of alcohol indoors is permitted until 5:00 a.m. in this area.

The proposed ordinance would create a uniform 2:00 a.m. indoor termination time for the sale and consumption of alcoholic beverages at alcoholic beverage establishments along both sides of West Avenue. The 2:00 a.m. cutoff would apply to both new and existing establishments between Biscayne Bay on the west, the eastern boundary line of properties fronting West Avenue on the east, the 5th Street right-of-way on the south, and the Lincoln Road right-of-way on the north. Additionally, the proposed ordinance includes provisions for the determination of any vested rights for existing businesses.

Alton Road

The Flamingo Park neighborhood is located immediately east of the Alton Road corridor. This neighborhood is a locally designated historic district that is composed primarily of low intensity multifamily and single-family residential buildings. On some blocks, residential uses immediately abut the commercial districts, while on others, residential uses are separated only by an alley from the commercial districts.

The proposed ordinance provides a prospective 2:00 a.m. termination time for the sale and consumption of alcoholic beverages at new alcoholic beverage establishments along the east side of Alton Road, between 5th Street and Lincoln Road in the CD-2 district. Establishments with existing 5:00 a.m. licenses would be permitted to continue operating.

On May 11, 2016, the City Commission adopted Ordinance No. 2016-4014, which created a prospective 2:00 a.m. termination time for new alcoholic beverage establishments along the west side of Alton Road corridor between 5th Street and Collins Canal. The proposed ordinance would create parity between the east and west sides of Alton Road.

RECOMMENDATION

In view of the foregoing analysis, staff recommends that the Planning Board transmit the proposed ordinance amendment to the City Commission with a favorable recommendation.

Any operable windows or doors shall remain closed at all times, except for purposes of ingress and egress.

ii. Determination of vested rights. The owner or operator of any alcoholic beverage establishment claiming a vested right to conduct alcohol sales for on-premises consumption for hours greater than the hours permitted under subsection (e)(i) may so operate only after applying for a determination of its vested right(s) and having those rights confirmed by the chief special magistrate as follows:

The special magistrate shall be an attorney in good standing with the Florida Bar, with expertise in the areas of local government law, business licensing, vested rights, and/or property law.

2. Filing period. Any application for a determination of vested rights must be filed with the city manager, city attorney, and city clerk no later than October 31, 2024.

3. Standard for finding of a vested right. A vested right to conduct alcohol sales for on-premises consumption later than the hours prescribed in subsection (e)(i) shall be found to exist only where:

I. An active order of the Planning Board, an active order of the Board of Adjustment, or other active development order issued by the City, expressly authorizes the alcoholic beverage establishment to conduct alcohol sales for on-premises consumption during specified hours;

II. In good faith reliance upon such prior order, the applicant has made a substantial change in position or incurred extensive contractual obligations and financial expenses; and

III. It would be highly inequitable to interfere with the acquired right.

D. Specify the applicant's requested relief; and

E. Be sworn to by the applicant.

III. The signature of the applicant or the applicant's attorney shall constitute a certificate that the person signing has read the applicant's written submissions and, to the best of their knowledge, the application is made in good faith and not for purposes of delay. IV. The city clerk shall acknowledge receipt of an application for vested rights within three business days of receipt of the application, and shall promptly schedule a hearing before the chief special magistrate.

V. Effect of filing application for vested rights determination. - vi. East side of Alton Road. As applicable to alcoholic beverage establishments on properties or unified development sites fronting the east side of Alton Road, between 5th Street and 6th Street, alcoholic beverages shall not be offered for sale or on-premises consumption indoors between the hours of 2:00 a.m. and 8:00 a.m. each night, or outdoors between the hours of 12:00 a.m. and 8:00 a.m. each night. For purposes of this section, the term “outdoors” shall mean any area of an alcoholic beverage establishment that is not completely enclosed and located entirely within a building. Any operable windows or doors shall remain closed at all times, except for purposes of ingress and egress.

The provisions of this paragraph (c)(vi) shall not apply to any alcoholic beverage establishment with a valid business tax receipt (BTR) for an alcoholic beverage establishment that is issued prior to October 30, 2023.

- vii. Determination of vested rights. The owner or operator of any alcoholic beverage establishment claiming a vested right to conduct alcohol sales for on-premises consumption for hours greater than the hours permitted under subsection (c)(vi) may so operate only after applying for a determination of its vested right(s) and having those rights confirmed by the chief special magistrate as follows:

1. Appointment; qualifications; term. The chief special magistrate shall adjudicate applications for determinations of vested rights under this subsection (c)(vii). The special magistrate shall be an attorney in good standing with the Florida Bar, with expertise in the areas of local government law, business licensing, vested rights, and/or property law.
2. Filing period. Any application for a determination of vested rights must be filed with the city manager, city attorney, and city clerk no later than October 31, 2024.
3. Standard for finding of a vested right. A vested right to conduct alcohol sales for on-premises consumption later than the hours prescribed in subsection (c)(vii) shall be found to exist only where:
 - I. An active order of the Planning Board, an active order of the Board of Adjustment, or other active development order issued by the City, expressly authorizes the alcoholic beverage establishment to conduct alcohol sales for on-premises consumption during specified hours;
 - II. In good faith reliance upon such prior order, the applicant has made a substantial change in position or incurred extensive contractual obligations and financial expenses; and
 - III. It would be highly inequitable to interfere with the acquired right.

In accordance with Florida law, no right to conduct alcohol sales at certain hours may be determined to have vested as a result of the adoption of an ordinance by the city commission. The chief special magistrate shall dismiss any application that relies solely upon a previously enacted ordinance of the city commission.

4. Procedure. Applications for vested rights determinations shall be heard in accordance with the procedures for hearings before the special magistrate specified in Chapter 30 of the City Code except that:

I. Applications for a vested rights determination shall be made in writing and filed with the city manager, city attorney, and city clerk.

II. At a minimum, applications shall:

A. Identify all prior orders from which the alleged vested right arises;

B. Include a copy of each such prior order;

C. Specify how the adoption of this ordinance adversely affected the alleged vested right including how the standard in subsection (c)(vii)(3) is satisfied;

D. Specify the applicant's requested relief; and

E. Be sworn to by the applicant.

III. The signature of the applicant or the applicant's attorney shall constitute a certificate that the person signing has read the applicant's written submissions and, to the best of their knowledge, the application is made in good faith and not for purposes of delay. The applicant or its attorney shall have a continuing obligation to correct any statement or representation found to have been incurred when made or which becomes incorrect by virtue of changed circumstances. If a claim of taking or abrogation of vested rights is: (1) based upon facts that the claimant or the attorney for the claimant knew or should have known were not true; or (2) frivolous or filed solely for the purpose of delay, the chief special magistrate shall make such findings in writing and deny the application.

IV. The city clerk shall acknowledge receipt of an application for vested rights within three business days of receipt of the application, and shall promptly schedule a hearing before the chief special magistrate.

V. Effect of filing application for vested rights determination. During the pendency of an application for a vested rights determination, the applicant shall comply with all requirements of this section. The

filing of an application shall not be construed to stay enforcement of this section against the applicant.

5. Appeals. An aggrieved party, including the city administration, may appeal a final administrative order of the special magistrate to the circuit court by petition for writ of certiorari, pursuant to the Florida Rules of Appellate Procedure.
