**WHEREAS**, on December 14, 2022, at the request of Vice-Mayor Kristen Rosen Gonzalez, the City Commission referred a discussion item to the Public Safety and Neighborhood Quality of Life Committee (the "Committee") regarding planting shade trees and improvements for parking lot P-63, located at 4166 Royal Palm Avenue; and

**WHEREAS**, canopy trees provided much-needed shade and serve to mitigate the effects of climate change and beautify the City; and

**WHEREAS**, at the June 21, 2023 Committee meeting, the item was discussed, and City Staff was directed to prepare a cost estimate of adding shade trees on the interior of the parking lot, understanding that this would be a capital project estimate, based on the need to create areas for planting; and

**WHEREAS**, at this time, the cost estimate to install twenty-four (24) trees within the P-63 surface parking lot, with a minimum overall height of 18 feet each, inclusive of related suspended pavement, irrigation, electrical work, design, permitting and other soft costs is approximately \$1,655,000, with further details regarding the cost, permitting, and infrastructure requirements set forth in the Committee Memorandum attached to this Resolution; and

**WHEREAS**, the Mayor and City Commission desire to direct the City Administration to take all steps necessary to plant twenty-four (24) canopy trees within the P-63 surface parking lot.
