Dear Commissioner Dominguez,

I trust this email finds you well. As a resident and the Vice Chairman of the Hall of Fame selection committee, I am writing to express my wholehearted support for Commissioner Fernandez's resolution.

I understand that this matter is a consent item, but I wanted to take a moment to voice my endorsement. In addition to this, I have some recommendations to enhance the nomination and selection process, and I would be pleased to share them with you separately. However, one suggestion stands out to me as particularly significant – the requirement for a nomination to be accompanied by a minimum of 10 letters of support.

In my view, this community honor should remain exclusive, and having a substantial number of individuals willing to provide thoughtful letters of support is crucial for a recognition of this caliber. I believe that a collection of at least 10 such letters would contribute significantly to the authenticity and significance of the nomination.

I am more than willing to discuss these suggestions further at a time that suits you. Your consideration of these recommendations is greatly appreciated, and I look forward to the continued success of the Hall of Fame selection process.

Thank you for your time and attention to this matter.

Warm regards,

*Ceci*
