*The Miami Beach City Hall Commission Chambers will be undergoing a 120-day renovation with a tentative completion date of November 28, 2023. The remodel will affect both the third and fourth-floor portions of the Commission Chambers, renovating a combined total area of approximately 4,025 square feet. During the construction period, nearly all City Commission, Committees, and Land Use meetings will be hosted on the second floor of the Miami Beach Convention Center (MBCC) at 1901 Convention Center Drive in meeting rooms 222-225.

Beyond attending in-person meetings, residents, businesses and stakeholders can continue to watch these meetings live on the City's Facebook page, YouTube page, and via Zoom. Viewers can also continue participating via Zoom.

The Dr. Stanley Sutnick Citizens' Forum will be held during the first Commission meeting each month. The Forum will be split into two (2) sessions, 8:30 a.m. and 1:00 p.m. Approximately thirty (30) minutes will be allocated per session, with individuals being limited to no more than three (3) minutes. No appointment or advance notification is needed in order to speak to the Commission during this Forum.
