

RESOLUTION NO. _____

A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, DIRECTING THE CITY ADMINISTRATION TO IMPLEMENT A REASONABLY PRICED SECURITY CAMERA PILOT PROGRAM BY PURCHASING AND INSTALLING ARLO CAMERAS (OR EQUIVALENT) FOR USE BY CODE ENFORCEMENT AND THE MIAMI BEACH POLICE DEPARTMENT TO DETECT CODE VIOLATIONS AND/OR CRIMINAL ACTIVITY AT PUBLIC SITES ON THE WESTERN BOUNDARY OF THE CITY ALONG THE INTRACOASTAL WATERWAY AT A COST NOT TO EXCEED \$20,000.

WHEREAS, the use of surveillance cameras can enhance public safety and well-being by acting as a deterrent to criminal activities and code violations; and

WHEREAS, security cameras help prevent thefts, assaults, drug dealing and other illegal activities because potential wrongdoers who know they are being monitored are less likely to commit crimes; and

WHEREAS, security cameras help protect public property by deterring violations of the City Code, including graffiti and other forms of vandalism; and

WHEREAS, surveillance cameras capture real-time incidents, and footage from surveillance cameras can provide crucial leads to enforcement officers and detectives in investigations and serve as evidence in legal proceedings; and

WHEREAS, certain public sites on the Western boundary of the City, along the Intracoastal Waterway, are not currently being monitored and are appropriate locations for the installation of surveillance cameras to ensure the safety and well-being of the City's residents; and

WHEREAS, the current security system used at the Miami Beach Convention Center and other City facilities requires the use of cost prohibitive cameras; and

WHEREAS, there are less expensive, but equally effective, options that could serve the same purpose at a much more reasonable cost, including Arlo security cameras and other comparable options.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, that the Mayor and City Commission hereby direct the City Administration to implement a reasonably priced security camera pilot program by purchasing and installing Arlo cameras (or equivalent) for use by Code Enforcement and the Miami Beach Police Department to detect code

violations and/or criminal activity at public sites on the western boundary of the City along the Intracoastal Waterway at a cost not to exceed \$20,000.

PASSED and ADOPTED this _____ day of _____, 2024.
