Good afternoon Mr. Hagedorn,

The location for the proposed Sail Grand Prix 2025 should not be an issue.

Be advised that Miami Beach hosts an annual Air and Sea Show one weekend in May, in the same general location and has been permitted for many years by Sector Miami's Captain of the Port.

If regulations put forth by the US Coast Guard (USCG), National Marine Fisheries Service (NMFS), Florida Department of Environmental Protection (FDEP), U.S. Fish and Wildlife Service (USFWS), Florida Fish and Wildlife Conservation Commission (FWC), and applicable local government agencies are followed, the event will likely be permitted by the USCG.

Thank you for your cooperation and we look forward to working with you and your organization to make this event happen.
