

MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Mark Samuelian
DATE: December 12, 2018

SUBJECT: REFERRAL TO THE SUSTAINABILITY AND RESILIENCY COMMITTEE TO
DISCUSS A POTENTIAL IMPROVEMENT PROJECT IN THE LAKEVIEW
NEIGHBORHOOD.

ANALYSIS

Current plans have identified the Lakeview Neighborhood as a likely upcoming Neighborhood Improvement project. Some residents have raised initial questions and concerns. The upcoming Flooding/Stormwater Management work with Jacobs Engineering is going to include neighborhood project sequencing, as well as design. This referral will:

- provide neighbors with the latest information possible
- offer a forum for their initial feedback
- identify opportunities to fully incorporate Lakeview into the Jacobs Engineering work
