RE: Extension of Time Request

To Whom It May Concern:

We are the architects that are in the process of finalizing permit drawings for a project located at 3732-3724 Sheridan Avenue.

The applicant has proposed the construction of a new two-story single-family home on two combined lots to replace two, one-story single-family homes, one of which is a pre-1942 architecturally significant home which has been approved by the Design Review Board (DRB0616-0035), please see attached Final Order.

Unfortunately, due to the owner's unanticipated family medical issues, the permitting process has been delayed.

By means of this letter, we would like to request the maximum extension time to complete the permitting process.

Respectfully,
